4. With reference to the cause of delay in submitting the rolls and the Medical Certificate being signed by a single officer the Superintendent of Police in his letter No. 107 dated 1st Instant gives the following explanations -

"The individuals were not placed before an annual Invaliding Committee as one had not assembled for two years and a half and as there was no prospect of one being formed at an early date."

"No special committee of two Medical Officers could be formed as there were no two such officers available."

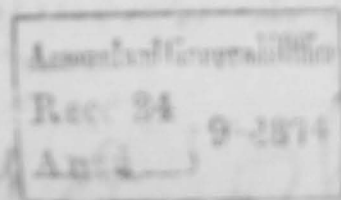

"The delay in submitting the rolls has been caused by the Revenue Department not having furnished the requisite information of previous services earlier and by pressure of work at the District Police Office owing to the absence on leave of the Audit Inspector."
