to have been indifferent and bad.

3. These individuals are entitled to the amounts of gratuity entered opposite to their names for their qualifying Police service under Section 1 of the Superannuation Fund Rules according to scale A Section 104 of the revised Civil Pension Code.

4. With reference to the Causes of delay in submitting the rolls and the Medical Certificates being signed by a single Officer the Superintendent of Police in his letter No 409 dated 1st September 1874 gives the following explanations—

"The individuals were not placed before an annual Invaliding Committee as one had not assembled for two years and a half and as there was no prospect of one being formed at an early date."

"No Special Committee of two Medical officers could be formed as there were no two such officers available."

"The delay in submitting the rolls has been caused by the Revenue Department not having furnished the requisite information of previous services earlier and by pressure of work in the District Police office owing to the absence on leave of the Audit Inspector."

I have the honor to be,
Sir,
Your most Obdt Servt,

W Merriman Major,
for Inspector General of Police.
