Extract from the Proceedings of the
Chief Engineer in the Department of
Public Works - No. 7364 dated 17th November 1889.

As it appears from the foregoing
letters from the District Engineer
that Overseer Panachendriah possesses
no knowledge of, or qualification for,
the duties of his Post, and that he is
quite incapable of preparing even
simple Estimates for Earth works,
which could be depended upon, and
as in the meantime he is reported
to be a good accountant and writer,
and to have kept his accounts of
Expenditure very correctly, the Chief
Engineer resolves to dismiss him
from his Appointment of Overseer
