Certified that I have carefully examined Richard Borrer/son of Richard Borrer a Barliff in the High Court. His age is, by his own statement 46 years and by appearance about 50 years I consider Richard Borrer to be completely and permanently incapacitated for further service of any kind, or in the Departments to which he belongs, in consequence of Consumption (from which he is not likely to recover). His incapacity does not appear to me to have been caused by irregular or intemperate habits.
