For the Secy to Govt

21<sup>st</sup> January 1840; from which date to the time of his dismissal he has rendered efficient services, discharging satisfactorily the various duties of Clerk, Register and Examiner he was successively required to perform; and it appears therefore hardly if not unnecessary that he should now be required to pass the examination prescribed by recent rules for Uncommissioned Servants to render him eligible for re-employment in the public service.

4. Under these circumstances I have the honor to recommend that Mr. Barra may be exempted from the Uncommissioned Service Examination Rules; and that permission may be granted for his re-employment in this Office, or in any other where his services may be found of use.
