PENSION DEPARTMENT.

No. 692.

FROM C. G. MASTER, Esq.,
Acting Secretary to the Government of Fort St. George,

TO THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to bring the following case to the notice of His Excellency the Governor-General in Council.

2. Noogaloo Vencatasamy, a Messenger in the Civil and Session Court at Coimbatore, retired from the service in 1870 on account of old age, being upwards of sixty years old.

His post was conferred on his son, and consequently, in accordance with an erroneous impression then very prevalent, no application was submitted on his behalf for any retiring allowance.

3. Recently Vencatasamy, having discovered that his contemporaries were receiving pensions and gratuities, came forward and made his application, and it was then found that at the time of his retirement he had still thirteen days to serve to complete the thirty-five years entitling him to an inferior pension. As this was entirely due to a misconception on the part of his superior officers, it seems hard that Vencatasamy should suffer, and I am, therefore, to recommend his being granted the inferior pension of Rupees (3-8-0) three and Annas eight per mensem, to which he would have been entitled if allowed to complete his service.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
24th November 1874.

Acting Secretary to Government.

VIDE your Office application for — Pension — on behalf of
Venkataswamy, Messenger.

The undersigned has the honor to request explanation on the following
points:—

- 1.—In the remarks No 5 does the word resignation mean the usual retirement from service, or voluntarily giving up one's appointment?
- 2.—If the applicant had retired from inability to serve longer, why the usual medical certificate was not obtained. The order dispensing with such certificates in the case of inferior servants of above body of age was not issued until October 1872.
- 3.—What is the country or House name of the applicant?
- 4.—Why the applicant is recommended for Pension instead of gratuity while he had not completed 35 years service to entitle him to the former.

It is also requested that the cause of nearly four years delay in the submission of this application may be explained, & more marks for personal identification of the applicant may be stated the one already given being insufficient for that purpose.

Memorandum

Vide your docket dated 28th September 1874.

- 1 The word "resignation" means the usual retirement from service.
 - 2 The Applicant on the eve of his retirement applied both for pension and for the appointment of his son in his stead. It was then thought that Applicant could not have both the requests complied with and his son was taken at his option.
 - 3 The house name of the Applicant is "Naagalos" and his name therefore is Naagalos Venkatasamy.
 - 4 Applicant wanted only 13 days to complete his 35 years service at the time he retired and retired under the belief he was not entitled to any pension or compassionate allowance his son having been appointed. Applicant finding that his contemporaries in other Departments have been allowed under similar circumstances pension gratuity or compassionate allowance has renewed his application for pension. Vide Notification of Government dated 15th September 1870 published at page 1246 of Fort St George Gazette of 27th idem.
- His marks for identification - Complexion light brown. a wart on the right side of the nose. a scar on the left side of the left calf and another scar to the left side of the right eye.
