Standard of intelligence rather moderate for an Indian, not developed. Education might be improved. Kind quiet and obliging, not very active but methodical. I think capable of improvement.

Certified that I, M. C. Furnell
 Surgeon Major and Acting Physician General
 Hospital, Madras, have carefully examined
 John D'Castellas, son of Emanuel
 D'Castellas, a Clerk in the Ordnance
 Office, Fort St. George. His age is, by his
 own statement, 41 years, and by appear-
 -ance, about 50 years. I consider John
 D'Castellas to be completely and
 permanently incapacitated for further
 service of any kind, in the department
 to which he belongs, in consequence of
 general debility brought on by long
 continued illness.

His incapacity does not appear to me
 to have been caused by irregular or
 intemperate habits.
