MADRAS RECORD OFFICE.

Government of Madras.

Section DEPARTMENT.

G.O. No.	736	Press - Mis.
Dated	6-12-1874.	

Not to be folded or roughly handled

Certified that I have carefully examined Muddurpally Silaramma, son of Chait Bada, a Pensions man in the Muddurpally Taluk. His age is, by his own statement, 55 years, and by appearance about 60 years. I consider Muddurpally Silaramma to be completely and permanently incapacitated for further service of any kind, in the Department, to which he belongs, in consequence of old age and infirmity. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Point 1. It was a mistake of the Sg Sub Collector, and
the error has already been brought to his notice.

Point 2. The full name of the 2^d applicant is Jamalkhan
alone as shown in the Annual lists &c. He has no
house or village name, but he is a resident of Telipad.

Point 3 & 4. Section 63 (b) was, by mistake, considered applicable
to these individuals. It is requested that the
application may be altered. The applicants are entitled
to a gratuity of Rs 36 equal to six months salary.

(a) The services of the applicant Muddenpally Silarammed
have been verified from Office records. The entry has been
made in the proper column of the application, which is
herewith returned.

(b) Silarmahomed is generally called Silarammed. The
name may be corrected as Silarmahomed to correspond
with the Annual lists.

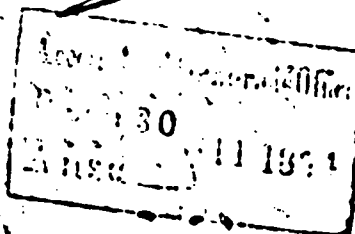

Point 5. Tarigonda Shaik Ameen was entered as Tarigonda
Shaik Hussain in the Pensions annual list of 1872 by
mistake.

1. As to character and past conduct of Applicant. *Good.*

5. Any other remarks, *No Service book has been produced by the applicant as such are not considered necessary for Pensions. The delay in submitting this application after retirement of the applicant from Service on the 24th October 1913 is due solely to the absence of the Applicant and partly to the time occupied in verifying his Service by the records. Although the Applicant is entitled to a gratuity of 6 months' pay of Rs 36 for his next qualifying Service of 29-11-14 after deducting the periods of leave he enjoyed. The applicant was not considering that he had put 26 days to Service for a half pension. I have recommended him for pension. The applicant was not to blame for retiring before he had correctly ascertained his Service. The period of his Service should have been ascertained for him before he was ordered to retire and he should have been allowed to serve the additional time to entitle him for pension of *1000**

and 22 days; and that *an invalid* { *pension* } not exceeding Rs. 36-*one equal to monthly pay* is admissible under Section 63(a) of the Civil Pension Code. The calculations have been duly verified. The cause of delay in the submission of this application is explained by the collector in the proper place.

A copy of G. O. Pension Department No. 491 of 23rd September 1938 has been forwarded to the collector for his information and guidance in regard to the necessity of service books for inferior servants.

The cause of Medical Certificate of applicants in fitness for further service having been obtained & submitted after he ceased to be duty is explained in para 1 of reply memo dated 25th October 1944 accompanying—
