No. 739.

FROM
C. G. MASTER, Esq.,
Acting Secretary to the Government of Fort St. George,
To
THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

In July 1864 this Government permitted one Sadasiva Pillai, Principal Sadr Amin of Madura, to enter the service of the Travancore State as 1st Judge of its Sadr Court.

2. After permission had been given the Resident addressed this Government on behalf of the Travancore State and requested that an assurance might be given that a proportion of the retiring pension guaranteed to Sadasiva Pillai for his service in the State would be borne by the British Government in consideration of the long period passed in their service.

3. In reply to their application this Government intimated that they concurred generally "as to the expediency of the Madras Government defraying a portion of such pension as may be awarded to Sadasiva Pillai on his retirement from the service of His Highness the Rajah of Travancore," but could obviously not decide what that portion should be before his retirement.

4. The Acting Resident now reports that Sadasiva Pillai has been permitted to retire on a pension of Rupees 343-13-10 per mensem with effect from the 15th August last, and, at the instance of His Highness' Government, inquires what proportion of this pension will be paid by this Government.

5. The Accountant-General has furnished a statement of Sadasiva Pillai's services, from which it appears that his service under this Government amounted to fifteen years, five months, and twenty-six days. As, however, no provision is made in the Civil Pension Code for the grant of any retiring allowance to officers who accepted service under Native Governments prior to October 1871, I am now directed to request that His Excellency the Governor-General in Council will be pleased to deal exceptionally with the case of Sadasiva Pillai in view of the assurance given to His Highness' Government in 1864.

6. The Accountant-General reports that, according to the rule which regulates the division of pensions chargeable to more than one account, Rupees 83-11-2 of the pension granted to Sadasiva Pillai is chargeable to the British Government, and I am, therefore, to request sanction to disburse this amount.

I have the honor to be,
Sir,
Your most obedient servant,

FORT ST. GEORGE,
17th December 1874.

Acting Secretary to Government.

From Major A. F. F. BLOOMFIELD, Officiating Resident of Travancore and Cochin, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Trevandrum, 18th September 1874, No. 96.

Adverting to G.O., No. 31, dated 24th January 1865, I have the honor to forward copy of a letter, No. 3737, of this date, from the Diwan of Travancore and to solicit orders of Government as to what proportion of M. Sadasiva Pillai's pension will be paid by the British to His Highness the Maharajah's Government.

From A. SASHIAH SASTRI, Diwan of Travancore, to Major A. F. F. BLOOMFIELD, Officiating Resident of Travancore and Cochin, dated Trevandrum, 18th September 1874, No. 3737-1358-R.

Referring to correspondence noted in the margin I have the honor to inform you that M. Sadasiva Pillai, formerly a Principal Sadr Amin in the British service and afterwards 1st Judge of the Sadr Court of Travancore, has been permitted by His Highness the Maharajah to retire from his service on a pension of I. Rupees 350 per mensem, equal to British Rupees 343-13-10, the retirement taking effect from the 1st Avani 1050 (15th August 1874).

2. In accordance with the promise made in Mr. Newill's letter, No. 165, dated 6th February 1865, I request you will be good enough to inform me what proportion of this pension will be paid to the Government of His Highness the Maharajah by that of Madras in consideration of Sadasiva Pillai having been in the British service for nineteen years. Sadasiva Pillai's salary as 1st Judge of His Highness' Sadr Court was I. Rupees 1,000 per mensem equal to British Rupees 982-7-4, and he served this State for ten years.

Referred to the Accountant-General for report.

OOTACAMUND,
23rd September 1874.

(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.

From R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 5th December 1874, No. 477.

Audit Department.

In returning the letter of the Officiating Resident of Travancore and Cochin, together with its enclosures, referred to this office for report, I have the honor to state that M. Sadasiva Pillai's qualifying service under the British Government up to the date of his transfer to the Government of His Highness the Maharajah of Travancore amounts to fifteen years, five months, and twenty-six days, as particularized in the accompanying statement.

2. The Civil Pension Code does not provide for the grant of any retiring allowance to officers who have accepted service under Native Governments before October 1871 (*vide* Appendix D.); but, when a pension or gratuity is chargeable to more than one account, the division is regulated by the proportions in which the aggregate salary drawn during the whole qualifying service has been paid from each account. Applying the rule in a case of service where the aggregate amount received consists of the two portions shown in the statement annexed, a pension of Rupees 343-13-10 would involve a charge of Rupees 83-11-2 on the British Government.

3. The present case will require the sanction of the Government of India.

FROM THE ACCOUNTANT GENERAL
TO THE GOVERNMENT OF MADRAS,

TO THE *Acting Chief Secretary to Government*
Fort Saint George

SIR,

In returning the letter of the officiating
President of Travancore and Cochin together
with its enclosures, referred to this office for
report, I have the honor to state, that, Mr.
Sadasiva Pillay's qualifying service under
the British Government up to the date of
his transfer to the Government of His Highness
the Maharajah of Travancore amounts to
15 years 5 months and 26 days, as
particularised in the accompanying statement.

The Civil Pension Code does not
provide for the grant of any retiring
allowance to officers who have accepted service
under Native Government before October 1871
(vide appendix D). But when a pension or
gratuity is chargeable to more than one
account the division is regulated by the
proportions in which the aggregate salary
drawn during the whole qualifying service
has

has been paid from each account. Applying
the rule in a case of services where the
aggregate amount received exceeds of the
two portions shown in the statement amount
a provision of Rupees 343-13-10 would
involve a charge of Rupees 83-11-2 on the
British Government.

The present case will require the
sanction of the Government of India.

I have the honor to be,

Sir,

Your Obedient Servant,
