The Service Book and the office memos above referred to are herewith sent with the application being written on a printed form. As to the circumstances under which the applicant was absent from duty on 3 occasions, I have to state that the leave which was granted to him for 3 weeks from 12th August 1872 expired on the 1st September, that he applied for an extension from the 3rd September which terminated by the 16th October and that he made his appearance on the 19th October. He was therefore considered as having absented himself without leave on 2nd September & 17th & 18th October and his pay for those days was deducted in November following. As to the 3rd occasion, he was ordered to appear before me after the July Session for being examined as to his fitness for further service, but he applied for 4 days leave from the 9th July and no thing was heard of him up to 27th on which date he appeared before me. He has therefore absented himself without leave and his pay in consequence was stopped for those days with reference to the order of this Court.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 8 years {superior} of the 2nd authority at Tanjore and 17 days; and that {pension} not exceeding Rs. 112 equal to 8 months pay, is admissible under Section 57 of the Civil Pension Code. The calculations have been duly verified. The District Judge in his report dated 8th and 14th December 1873 states that the applicants overstayed on three occasions and was considered as absent prolonged after the end of leave, which does not entitle forfeiture of past service. While Section 44 of the Civil Pension Code further gives his reasons in letter No. 97 dated 27th October 1873, why he is dissatisfied with the services of the applicant although he was pronounced by the Medical Officer to be physically fit for further service.
