From
 The Head Asst Collector
 Bellary

To
 The Salt Dept of Dugarayyapalan

I acknowledge the receipt
 of your Azgi No 102 of the 18th Inst and
 its enclosures and return the
 contents thereof.

The Division Akhminis
 reported that when he came to the
 platform he found the two persons,
 Chensing & Mandiga Venkat
 were absent; that the Vettian
 alone was present on the spot;

that on enquiry he was told by the
 witness that the former left the
 platform at 12 A. M. for Du-
 jarazupatam and the latter
 for Kookupalem; that he then
 called the Poggast and others
 present to hear testimony to
 the fact. On this we issued
 a Takid and in reply Nento
 has stated that ~~it appears~~
 from the records of the case it is
 evident that Sundiga Venkata-
 sawmi left the platform at the
 time in question for a pond
 there, in order to wash his hands

and feet. On this subject a
Kipiat was taken from the
Akhumiris in the Gujjar.

You did not call in the Vattian
at the time of enquiring to say what
he knows of the matter. In
spite of this, it is apparent from
the record submitted that the
excuses urged by the pleons
are not, in our opinion, such
as would justify them. The pleas
got up by the two pleons who are
set at the platform to look
to the security of the salt heap.

on it and to prevent the
misappropriation of salt
scraped in the beds, to
explain away the cause
of their absence when found
missing and called upon
to do so cannot of course
stand good.

From this it will be seen
that they were away on private
business & established that
they told a lie at the time of
enquiry. Much wastage
takes place in the heaps

occurrences of
 owing to the irregularities
 which are the means of being
 present at the platform &c.
 Under these circumstances
 Chari Singh and Mandiga
 Venkataswami are to be
 suspended each a year from
 the 14th instant as their
 neglect to perform their proper
 duties calls for punishment.

You are therefore not
 only to intimate this fact
 to them but also to strike

6 13

of their names from the
Establishment Roll of
order two cut cherry peons
to look after the platform.

No. 1
From The Salt Deputy Collector
Kellore

To The Salt Superintendent
of Pakala.

When Mandiga Vankataswamy
measurer of your Division was measurer
in the Hamparti Division and even after
he was transferred to your Division
he displayed his ignorance to work
the scales on two or three occasions
when we examined the salt heaps.

On several occasions we threatened
him, saying that he was unfit to be
head and would be removed from it.

if he displays the same ignorance once more. We also fined him once or twice.

When we examined the beads on the Binginepalli flat form. Venkataswamy displayed his thorough ignorance in using the scales and consequently the weighing was caused to be made through the Vettian. Venkataswamy did no work but was standing still by the scales. We thought that this sort of man would not do for your Division when retail sale is largely carried on. Therefore on the morning of the 16th instant, after the examination of the beads we ordered him to take out his belt and deliver it over to you. He was therefore dismissed the service from that date.

and his name should be removed from the Establishment roll. A person in his stead would be appointed and sent to your Division in 2 or 3 days.

In consideration of his long service Venkataswamy must be informed that if a Vettian's post should fall vacant it would be offered to him.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant.

2. Explanation of any suspension or degradation.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

5. Any other remarks.

The Service Register of the Applicant which is herewith forwarded was prepared in the Salt Department where the Applicant's signature was not obtained to it. It was returned to the Salt-Deg Collector, who retransmitted it on the 19 July 1873, saying that Venkata Ramany was at Bellare. He has gone up somewhere to the North. To avoid further delay, the Register is submitted with the Service Book not signed by the Applicant who cannot read or write.

In 1847, the applicant was acting for a term under suspension, and his services were discharged with as soon as the permanent incumbent was restored to his appointment.

In September 1859, he was suspended for one year for having been absent from the Salt-works while he was watching and a quarter period of 28 days elapsed before he was restored to appointment. He was again suspended for 3 months in 1863. 1880

order regarding this suspension is forthcoming in the records. In 1872, he was suspended a third time as he was found unfit for the post of measurer, but after a lapse of 10 days the punishment was altered to one of reduction as Vettian.

On enquiry he was not found at Bellare and is reported to have gone up somewhere to the North. To avoid further delay, the Register is submitted with the Service Book not signed by the Applicant who cannot read or write.
