Mr 8440. Confirmed

Uttapalieu Cundapen 24 yrs

Notified that I have carefully examined
Uttapalieu Cundapen, Boatman of the Port Boat
His age is by his own statement 36 years, and by
appearance about, 36 years. I consider Uttapalieu
Cundapen to be completely and permanently
incapacitated for further service of any kind
in the Department to which he belongs, in consequence
of old age, infirmity & eight injurious hernia.
His incapacity does not appear to me to have been
caused by irregular or intemperate habits.

Sir,

In reply to the Memo of the Deputy Accountant General, dated 28th Ultimo, forwarded for an explanation to me, I have the honor to state that, the Port and Marine Surgeon's Certificate of Gundapers' unfitness for further Service, being received during Christmas vacation, no immediate action was able to be taken on it, so his services were retained partly on such account, and partly to give time for selecting a good man in his place.
