No. 5.

OFFICIAL MEMORANDUM.

The undersigned is directed to inquire why the service of Pasupuliti Runganayakalu, from the 17th April 1838 to 23rd December 1842, was reported in the enclosed application as having been of a temporary nature.

FORT ST. GEORGE,
24th February 1875.

(Signed) L. A. CAMPBELL,
Under Secy. to Govt.

To the Accountant-General.

From R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 27th February 1875, No. 676.

Audit Department.

With reference to official memorandum from the Under Secretary to Government, Pension Department, No. 5, dated 24th instant, I have the honor to state that the service of P. Runganayakalu as Tappal Pygusti, from April 1838 to December 1842, was reported to have been of a temporary nature in consideration of the manner in which he was paid during the period, *viz.*, by a salary fluctuating from Rupees 8 to 15 a-month in proportion to the speed with which the tappals within his range were carried under his supervision. No Proceedings of Government are traceable by which such service can be held to be permanent.

2. It is further submitted that in like cases, disposed of in G.O., No. 867, of the 17th December 1872, and No. 453, of the 10th August last, Government were pleased to approve of the view taken by this office.

ORDER THEREON, 4th March 1875, No. 121.

Though the Pygusti's pay fluctuated he was a permanent servant on a permanent* establishment, and such service should be reckoned for pension.

* Pension G.O., 20th May 1873, No. 257.

2. In the cases referred to by the Accountant-General the applicants were entitled to pension irrespective of their service as Pygustis in the Postal Establishment, and thus the remark that a portion of their service was of a temporary nature was not scrutinized.
