Sir.

With reference to letter No. 154, dated 19th ultimo from the Deputy Accountant General to you forwarded to me with your remark of the 29th Idem, I have the honor to state that the reason why the application of Runga Rorr for pension was forwarded by the Collector, is because the settlement department in Simnally is attached to the Collector who corresponded direct with the Board on Settlement matters.

The full Countryname of V. Runga Rorr is Viruda'chelum.

From the Sakid held by Runga Rorr he was only Sumastah on Rs 15. on 1st May 1861.

Sw

In the entry in the annual return or at all events reference made to it, there may be a mistake. Verification of this point with the list that may be called for from the Salem Deputy Director now at Coimbatore may clear this doubt properly.

The Salem party was split into two in 1862, one remaining in Salem and the other working at Trichinopoly. Runga Rorr joined the latter party in Trichinopoly where he worked till November and was then removed to Simmerville Settlement party which was a branch of the Trichinopoly party. Of course this Trichinopoly party and Salem party were soon united after Mr. Thomas who was in charge of the Salem branch went home on furlough and Mr. Puckle took charge of the whole Combined party at the end of 1862. Runga Rorr's name will be found in the returns of the Deputy Director of Trichinopoly for the years 1862, 63, 64, and 65. All these records are however to be had from the Deputy Director of Coimbatore.

Runga Rorr as stated above was in Trichinopoly Settlement party in 1862 and then with the Settlement branch of Simmerville attached to the same in 1863, 64 and 65 and subsequently.

While in Trichinopoly Runga Rorr worked

worked under R. A. Puckle Esq. the then Deputy Director of Settlement and subsequently in Simmerville under the Assistant Director Lieut. G. J. Stuart, and W. A. Symonds Esq. in 1863, 64 and 65.

Runga Rorr's name was entered as V. Runga Rorr in the establishment lists then prepared in several offices. A reference to the lists then received will explain the case well.

Runga Rorr presented his application for pension of his own accord incapacitated for the hard work of the Settlement department owing to his ill-health under the impression that the two months now found to be defective in his service were not wanting. His state of health is the same as before. He is neither willing nor able to serve the two months to complete his pension.

I have &c.
