Memorandum

In returning Application for Pension
and Service Registers of Mr. Elliot late a
Clerk in this Office, the Secy to Govt. W. D.
begs to inform the Controller Public Works Acct.
with reference to his Memo No 10642 dated 4th
March 1875, that he has superadded his signa-
ture and Official designations in the 2 columns
referred to; though he considers it open to question
whether these columns are not intended solely
for the signatures of the Heads of Departments
to be made concurrent with any remarks of
Commendation or otherwise, they may at any
time wish to record in the Service Registers of
the clerks serving under them - agreeably to
Section 69 Civil Pension Code "a statement
"of every step in his official life, each entry
"being attested at the time by the immediate
"head of the Office".

It is not understood how the period en-
tered in pencil on the 2nd page of the application
has

has been computed - thus from 1st March 1867
to 2nd June 1868 embraces a period of 1 year
3 months and 1 day, and if the 1 month and 17
days suspension be subtracted would still
leave ^{4^{rs} in days} 1-1-14; whereas the pencil entry stands
11 months 28 days.

The Controller however has full powers
under the authority granted in G.O. No 91 dated 17th
October 1873 to make such corrections and revisions
as may appear necessary, when verifying the Ser-
vices of hon. gazetted Officers more especially as
prior to the introduction of Service Registers, the
records of service of the clerks have been but
imperfectly recorded. And the one submitted is in
the handwriting of the Applicant.

The period worked out in pencil and
entered in the Controller's Certificate appears
correct; as from the total service of ^{4^{rs} in days} 34-0-24;
3 years and 9 months have to be deducted on
account of Applicant's service before reaching
the age of 22 years, and 1 month 17 days for
suspension total ^{4^{rs} in days} 3-10-17 to be deducted,
leaving ^{4^{rs} in days} 30-2-7 as period qualifying
for

for pension.
