Certified that J. R. W. Lockhills
 Surgeon Major and Officiating Surgeon
 General Hospital, have carefully examined
 Mr. Adam Gordon, son of Mr. George
 Gordon, of the Madras Unconquered
 Civil Service, Registrar of the Madras
 University, Professor of History in the
 Presidency College. His age is, by his
 own statement 54 years, and by
 appearance about 58 years. I consider
 Mr. Adam Gordon to be completely
 and permanently incapacitated for
 further service of any kind in the
 Department to which he belongs, in con-
 sequence of Partial Paralysis, Chronic
 Rheumatism, an accident that injured
 his leg and laid him up for some time
 last year, Obesity, and general break up
 of health and strength. His incapacity
 does not appear to me to have been caused
 by irregular or intemperate habits

Sir, I have the honor to state that failing health compels me to apply for a good service pension to which I am entitled after having served of two to three years; and I trust you will take the necessary steps to obtain it for me. I may mention that during my service I have only had leave to Europe once and that on Medical Certificate, under a rule formerly in force which allowed two years leave on Medical Certificate to count as service. When that rule was set aside Government intimated that they would take into favorable consideration the claims of those who had taken leave under it; and Mr. Lower late of the Small Cause Court was permitted to reckon as service two years leave under the rule in question. My service will on the 31st of March when I propose to resign my situation as Professor
