Certified that I, A. L. Hackett, Surgeon, and Officiating Superintendent, Eye Infirmary, have carefully examined Mr A. Barren Actg. Sub. Assistant Revenue Surveyor, son of Serjeant William Barren. Mad. Eur. Regt. His age is, by his own statement, 45 years, and by appearance about 50. I consider him to be completely and permanently incapacitated for further service in the Department to which he belongs in consequence of commencing opacity of both Lenses, more advanced in the right than in the left eye, and failing of the general health from repeated attacks of illness.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

The undersigned has the honour to state that the Service of Mr. A. Barren has been verified from the Annual Returns of 1st May 1857 & 1858 as Draughtsman on 105 Rupees with 8th January 1857 for the date of appointment; and that it counts towards pension.

Service from 1st August 1855 to April 1857 has not been verified owing partly to there not having been an Audit Register for 1855-56 and partly to the omission of the names of the incumbents in that for 1856-57

In continuation of my letter № 8454 of the 21st December 1874, I have the honour to endorse the replies of the Accountant General and Controller of Military Accounts to the references made to them regarding Mr. Barren's Services from the 1st December 1849 to the 30th April/58.

2/ According to the reply of the Controller of Military Accounts, Mr Barren was entertained as Draftsman in the Chief Engineer's Office on the 8th October 1850, and not 1st December/49 as recorded in Mr Barren's Service Register.

3/ Mr Barren's Services from 1st August 1855 to April 1857 cannot be verified by the Accountant General owing, as explained by that Officer "partly to there not having been an audit Register for 1855-56 and partly to the omission of the names of incumbents in that for 1856-57". Mr Barren appears, however, from the Acquittance Rolls on record in this Office, to have been in continued employ during the period in question, and to have drawn the following rates of salary as Draftsman in the Lithographic Department

From 1st August/55 to 7th Jany/57 at Rupees 95 Per mensem

From 8th January/57 to 30th April/57 at Rupees 105 Per mensem

1st December 1849 was the date of Mr Barren's first entertainment, according to the Extract from the Service Register attested by Col. Orr and

and according to the Service book signed by Mr. Barren, but from the letter from the Controller of Military Accounts it appears that Mr. Barren was entertained on the 8th October 1850. His age on the date of first entertainment is also differently given as shewn in the margin

As per Extract 19 years

Sir

With reference to Memo No. 429/117 dated 18th February 1875 received late last evening, I beg to state that there are no discrepancies as to my age when entertained. I was born on the 21st September 1830 and in my 19th year on the 1st December 1849 (the date of my entertainment) as per Extract and more particularly given in my Service book as 18 years. 2 months and 10 days – and in my 20th year on the 8th October 1850 the date of my entertainment as fixed by the Controller – My service from 1st December 1849 to 8th October 1850 was I think on probation. But my service counting for pension did not begin till the 21st September 1852 the date I attained my 22d year and a reference therefore to me was unnecessary and causing a further delay
