No. 224.

FROM

THE HON. D. F. CARMICHAEL,
Secretary to the Government of Fort St. George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

In forwarding, with its enclosures, the register of an application for pension submitted to this Government on behalf of Mariano Anthonio Cabral, late 10th-class Clerk, Ordnance Department, Cannanore, I am directed to request that, as a special case, His Excellency the Governor-General in Council will accord his permission for the grant of a monthly pension of Rupees 6-10-8 to the applicant.

2. Mariano Anthonio Cabral's service in grades entitling to pension is seventeen years ten months and five days, but as a break of two years and five months occurred in his service (from January 1840 to May 1841), and his service from June 1841 to 30th April 1865, for a period of twenty-three years and eleven months in the Ordnance Department, was paid out of the contract allowance, he is not, under the rules, entitled to any pension, but to a superannuation gratuity of Rupees 180, or nine months' salary, to which he is entitled for his qualifying superior service of nine years and eight months, *viz.*, from 1st May 1865 to 31st December 1874. As, however, there seems reason to believe his statement that he was really in a bad state of health when he resigned the service in January 1840, the Governor in Council resolves to allow him the benefit of his service prior to resignation, and to admit him to the pension of Rupees 6-10-8 to which he then becomes entitled.

I have the honor to be,
Sir,
Your most obedient servant,

FORT ST. GEORGE,
26th April 1875.

Secretary to Government.

Read the following letter from Lieutenant-Colonel N. G. CAMPBELL, R.A., Officiating Inspector-General of Ordnance and Magazines, to J. STURROCK, Esq., Acting Under Secretary to Government, Pension Department, Fort St. George, dated Fort St. George, 4th December 1874, No. 278-G :—

With reference to Order(*a*) of Government, I have the honor to state that the period for which Mr. M. A. Cabral, 10th-class Clerk in the Ordnance Depôt, Cannanore, was permitted to be retained in the service will expire on the 31st December 1874.

(a) No. 517, dated 12th February 1872, Military Department.

2. The Ordnance Officer, Cannanore, has therefore forwarded the documents marginally indicated connected with Mr. Cabral, and recommended that he be pensioned from 1st January 1875, as he is incapable of the further performance of his duty.

Application for Pension.

3. In the application for pension, it will be observed that prior to his admission into the Ordnance Department, on the 1st May 1865, Mr. Cabral served in the departments, which service added to that in the Ordnance Department, counting for pension would make, in the aggregate, twenty years and four months.

4. Taking into consideration Mr. Cabral's advanced age (sixty-three years), his long and faithful services under Government in qualifying and non-qualifying grades for pension extending over a period of forty-four years with an irreproachable character, I beg to recommend that Government may be moved to grant him, from the 1st January 1875, a pension equal to one-third of the average salary drawn by him during the last five years of his service, and to which pension he appears to be entitled by regulation.

M. A. Cabral served during the time I was Superintending Engineer in Malabar and Canara.

This is to certify that M. A. Cabral has served in the Engineer's Department as Writer upwards of eight years, and I find him to be well behaved and very attentive to his duty. He has been discharged in consequence of the reduction of the establishment.

Mr. M. A. Cabral has been a Clerk in the Arsenal at this station for the last fifteen months, during which period I have been in charge of the Ordnance Department; I have much pleasure in certifying that he is a good Writer and well qualified by his probity of conduct for position of trust.

Vide your letter, No. 2317, dated 14th December 1874.

The undersigned has the honor to state that the services of Mr. M. A. Cabral cannot be verified from the records of this office, because in the annual return of 1st May 1838 the name of the incumbent holding the appointment of Writer is omitted, and in that of 1st May 1839 the name of one Mr. J. R. Prager is entered as holder of the appointment on Rupees 52½ with October 1838 for the date of employment in the 7th Division of the Engineer Department.

Deputy Accountant-General.

From Lieutenant-Colonel N. G. CAMPBELL, R.A., Officiating Inspector-General of Ordnance and Magazines, to Colonel T. GILLILAN, Controller of Military Accounts, dated Fort St. George, 4th February 1875, No. 4473.

Establishment Department.

With reference to your letter(*a*), I have the honor to forward an affidavit(*b*) made by Mr. M. A. Cabral, late of the Ordnance Department at Cannanore, in explanation of the alleged discrepancy in the statement of his service as alluded to in your letter.

(*a*) No. 2487, dated 18th January 1875.
(*b*) Received from Ordnance Officer, Cannanore.

STATEMENT.

I do hereby solemnly make oath and declare as follows :—

I served in the Superintending Engineer's Department of Malabar and Canara from December 1826 to February 1835 as Clerk or Conicopoly in Government employ upwards of eight years, as per copies of certificates already furnished.

Since I left the above department by the reduction of the establishment, a few months afterwards I was employed by the Staff Officer in charge of public buildings together with a bricklayer maistry to repair buildings in the Fort of Cannanore; after the completion of the work I was again called by Captain Law together with a carpenter and bricklayer maistries to complete the construction of Durmapatam bridge on the road to Tellicherry, which was left incomplete by the Collector's civil maistry, and likewise to repair the Provincial Court-house at Tellicherry, which altogether occupied nearly two and a half years to finish.

From part of year 1838 to 1839 on the resignation of Mr. Prager, Civil Engineer's Writer of the 7th Division, I succeeded him with a pay of 52½ Rupees per month, being the established Government allowance; soon after I proceeded together with Engineer and his Civil Establishment on circuit towards the districts of Canara through the ghauts and passes, &c.; on our return after the elapse of many months being myself slightly sick with jungle fever, and after a stay of no more than a week in Cannanore, I was instructed by my employer to travel again on circuit to Neilgherry Hills, and after my arrival to go to Seeghoor Pass with the maistry and build a bridge over Tappakado Nullah (a most unhealthy place); on my way thereto over Perriati Pass I became severely sick, and being unable to advance further forced me to return home for medical assistance, in consequence of which I was compelled to give up my post, certificate of which I am sorry to say has been accidentally destroyed by fire at this place.

I regret exceedingly to learn that my services in that capacity (as arduous as they were during the time of my travel) could not be found in the Chief Civil Engineer's Office, but hope by a careful search being made subsequent to Mr. Prager's name, mine also may be discovered among it.

Since part of the year 1840 and 1841 I was employed under Captain Miller in the Ordnance Office, till I was permanently fixed in it, after an increase of the office allowance granted by an express order from the Bengal Government on Captain Miller's application.

(Signed) M. A. CABRAL.

Solemnly declared before me on oath by Mariano Anthonio Cabral at Cannanore this 30th day of January 1875.

F. HOLE, Captain,
Acting Cantonment Magistrate.

From the Accountant-General, Madras, to Colonel T. GILLILAN, Controller of Military Accounts, Fort St. George, dated Fort St. George, 26th February 1875, No. 9959.

Audit Department.

Vide your office letter, No. 2679, dated 13th instant.

The undersigned has the honor to state that it cannot be ascertained from the records of this office whether Mr. Cabral succeeded Mr. Prager as Writer in the Civil Engineer's Department, 7th Division, since the pay abstracts for the period do not give the names of incumbents of the post.

2. The annual return of 1st May 1839 shows Mr. Prager's name as the incumbent of the post, while in that of 1st May 1840 one Mr. D'Cruiz's name is traceable with March 1840 for the date of his appointment to the post. From this it is possible that if Mr. Cabral actually held the post as deposed by him he may have held it some time between May 1839 and February 1840, but this office is not in a position to verify the fact.

3. The post appears to have been a permanent one.
