No 2/34

Proceedings of the Board of Revenue dated 25th May 1871.
Read the following letter from P. J. Melville Esquire, officiating
Collector of Vizagapatam, to the Acting Secretary to the Board of
Revenue, dated 1st May 1871: A-4/3.

Referring to the Board's Proceedings, dated 29th March last
No. 383, I have the honor to report on the Postal system in force in
this district.
There are three Imperial and eighteen Local lines in this district,
as shown in the accompanying sketch marked respectively in red and
blue. The number of Regular Post offices is thirteen and the number
of District offices thirty-two, in twelve of which stations there are Regular
Post offices as well, as indicated in red and blue circles in the sketch.
Along the Imperial lines from (1) Wode to Chidambaram (2) Vizagapatam
to Vizianagaram and through Palacoda to Chidambaram; the Tappal,
both Regular and Moolki, is carried by regular runners, none
of whom are paid by the Revenue Department while the runners on the
Local lines from (1) Chidambaram to Karavattam (2) Ankapilly
to Chidambaram (3) Vizianagaram to Paravattam via Gajipati,
Kosaram, and (4) Vizianagaram to Paravattam via Palacoda,
carry the Moolki and Regular Tappal, no portion of their salary
being paid by the Imperial Postal Department, but all these
runners may be transferred to the Imperial Post agreeably to
the Board's suggestion contained in paragraph 3 of the Proceedings
under acknowledgment. This being done the Gumatias and
Pems at the following stations may advantageously be dispensed with:-

- (1) Gamin Kotā
- (2) Ankapilly
- (3) Bimlipattam
- (4) Gajipatinagar
- (5) Karavattam

4. Thacat (1) Yellamanaheli (2) Kodanaram (3) Madole (4) Vizian-
-agram (5) Palendah (6) Parvathipote, and (7) Chupurapilly. It
would retain, as packets for other moolki stations where there
are no Regular Post Offices go from these places. All the other
lines being exclusively moolki no revisions are proposed.

(5) The annexed statement shows what would be the financial result
of these alterations if sanctioned, resulting in a saving of Rs. 203 a month.

(6) The duty of the District Post Gomastah at the collector's head-
quarters is to prepare packets daily for the several talookes
situated north and south of Vizagapatam and send them to
the Post Office for despatch. Those for talookes north of Vizianagram
are put up separately and then in one packet addressed to
the Vizianagram moolki Gomastah. A separate packet
is sent to Pimpripatam. Those for talookes south of Vizianagram
are despatched in separate packets to each moolki Gomastah.
The question of the packets so sent is six daily. Two other packets
are daily made up of letters from Vizagapatam to Balacherru
and from Vizagapatam to Srangavaram. In the same
manner packets are daily received from the several talookes
which are distributed by the moolki Gomastah through his
own establishment of Pems. The Gomastah cannot, therefore,
be dispensed with unless all this work is undertaken by the
Regular Post Office Department.

Enclosure No. 1. Sketch.

Enclosure No. 2. Statement.

Forwarded for the opinion of the Postmaster General
in continuation of the Board's Proceedings quoted by the Collector.

2. The Board see no necessity for a moolki Gomastah at any
station where a Regular Post Office has been established and
would abolish those specified in paragraph 4 of the
Postmaster General's prepared minutes for their duties.

3. Those mentioned in paragraph 3 should be abolished at once.

4. They are further of opinion that the work performed by the
Hoozoor Gomastah as described in paragraph (6) might
easily be done in the Regular Post Office.

/Signed/ J. B. Pennington.

Acting Sub-Secretary.

To the Postmaster General with two original enclosures to be returned.
