Total period of {superior} service...
inferior

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. *Nothing on record against him*

2. Explanation of any suspension or degradation.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

5. Any other remarks.

The applicant's service book is herein enclosed. It was incapacitated for further service from 1846. No Medical Certificate was obtained as he was very old (71 years old) when he was discharged. The delay in submitting the application is attributable to the applicant's illness. He was suffering from Apoplexy, Rheumatism and Abscess in his ankle, from the time of his removal up to the end of May 1846 and applied for furlough in June 1846. Before his services could be completely verified and his service book prepared, he was again attacked by apoplexy and was unable to appear and sign his service book till the 10th of June.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 26 years and 5 months; and that an *Annual* {pension} {gratuity} not exceeding Rs. 36-0-0 equal to 5 months' pay, is admissible under Section 63 (a) of the Civil Pension Code. The calculations have been duly verified.

The reason of applicant's removal from service without a Medical Certificate of incapacity, the Collector states, was because the applicant was very old (71 years) when he was discharged. But the order of dispensing with a Medical Certificate in the cases of servants of 60 years, old, or upwards was not issued till 12 October 1872. The delay in the submission of this application is explained against item N: on the 3rd page of the application.

W. H. Ashburn
Accountant-General.
