Certified that I have carefully examined
Mrs Jane Seeluna, Matron in the Government Ly
in Hospital, Madras. Her age is by her own statem
55 years, 6 months and 17 days and by appeara
about the same. I consider Mrs Jane Seeluna to
completely and permanently incapacitated for furth
service of any kind in the department to which
belongs in consequence of old age & general debility
Her incapacity does not appear to me to have
been caused by irregular or intemperate habits.

The undersigned has the honor to request explanation on the following
points:—

1. Have the services of the applicant been verified from the records of the Hospital. If so why it was not so stated in Column "How verified" in the 2nd page of the application.
2. Whether the Superintendent considers the applicant as unfit for further service from age or infirmity; if not, explanation should be afforded as to why the accompanying Medical certificate was obtained from the Zillah Surgeon Quater on the 28th February 75 instead of at the Presidency and on or about the date of her removal from service.

A detailed information regarding the period of 1 year & 1 month not reckoned as service should be furnished.

Some more marks for the personal identification of the applicant should be given as the one already given is insufficient for that purpose.

The Compt. of Milly. Accts.

To The Accountant General.

Your memo. of the 13th March 1875.

The services of Mrs. J. Seelma as Matron in the Lying-in Hospital have been verified from the records of the Commissariat Examiners Office from 1st June 1858 to 30 June 1861.

2nd She obtained no leave during the above service.

3rd This Office is not aware of the particular condition in which the appointment of Matron was originally authorized, but as the employment appears to have been of a permanent nature, the service of the above Matron may seemingly be taken into account should her subsequent service in the Civil Department be recognized as entitling to Pension.
