To

W. Freer Esqr.
Salt Deputy Collector
South Arcot.

Sir,

Since my letter to you of the 25th Ultimo No. 269 I have considered your report dated 21st April No. 19 on the Conduct of the Superintendent Vencata acharry in Connection with Certain repairs to the main brine channel of the Tillawadaungeun Pans at the Killay station.

2. The facts as gathered from the enclosures with your letter which undoubtedly

undoubtedly bearing an inference very unfavourable to the Characte of Vencata acharry would not in themselves Call for so Severe a penalty as dismissal, but I am well aware from my personal acquaintance with Vencata acharry and with his natural inertness that your present and previous Complaint as to his unfitness for the post of Salt Superintendent are well founded and in view of the importance of the Station and the energy required in the officer at its head for the due and efficient management of the interests Committed to him, I am fully prepared to recognise the necessity of his removal from the Department

and

and from the Post he holds and being unwilling to actually remove one of his length of Service in the absence of any proved act of dishonesty, I have resolved to remand him to the position of 2d class Revenue Inspector and accordingly he has been appointed by me to that office in the Trickalore Taluq and you will be good enough to make your recommendation for filling up Vencata acharry's place at Killay.

3. The original enclosures with your letter are returned, the Copies have been retained with translations of other papers for record in my own office.

Certified that I have Carefully examined Venkata Chary Son of Varda Charyar 2nd Class Revenue Inspector Tirkalore Talug South Arcot. His age by his own Statement 45 years and by appearance about 50 years. I Consider Venkata Chary to be completely and permanently incapacitated for further service in the Department to which he belongs in Consequence of old age and general debility. His incapacity does not appear to have been caused by irregular or intemperate habits. —

I have the honor to submit that you will be pleased to concede the prayer as the man I believe is really competent and well qualified to hold the position. He has already acted for some months as Sub Magistrate and Salt Ameen of Chidambaram and discharged his duties efficiently and satisfactorily.

From C. [illegible] Deputy Collector General Centre of South Arcot

To Charles W. Reade Esquire, Collector of South Arcot.

I am of opinion as often recorded that Vencatachary would be much better valuable elsewhere than as Head Clerk in this Office. The only fault is his limited knowledge of English. His Character so far as I am aware has been high and respectable and I am confident that his services would be valuable in an appointment other than ministerial and in which honesty is essentially required as less subject to superintendence.

Sir

I have the honor to submit for your perusal, Trickolore Tahsildar's arzi No 368 dated 12th June last and its enclosure, and to recommend that the conduct of the 1st Class Revenue Inspector Veneatacharry may be duly noticed for gross neglect of duty. A simple boundary dispute was referred to his predecessor in January 1871. He was appointed to the Division in May, 1871. His final report was received in October, 1872-during the interval of 17 months nearly, Vencatachary was on leave for 3 months. His explanation is to say that he had other calls to attend to is of no use. A Revenue Inspector has of course more than one sort of work at a time and this is no reason why he should neglect any of them. This is not a single instance of the kind I have come across during the past few months in connection with Vencatachary and as there is reason to believe that he is habitually lazy I would recommend that he be suspended for 6 months.

Extract from the minutes of Consultation under date the 14th May 1858.

Read the following Extract from the Proceedings of the Board of Revenue.

Submitting for the orders of Govt. Correspondence relative to the reductions proposed by the Collr. of South Arcot for providing a printing establishment in his Collectorate } (Here enter 14th April 1858 No. 1280)

The Board of Revenue submit a communication from the Acting Collector of South Arcot, proposing alteration in his establishment to meet the charges of the Press. The alterations are, among others, the abolition of one shroff and one Translator, and the reduction of the pay of a Carcoon; and though the Board have pointed out to Mr. Taylor that the arrangement is inconsistent with the repeated orders of Govt., that officer is reported to have informed them in reply that

that he is unable to devise any other. The proper Course for the Board would have been to decline to transmit to Govt. Mr. Taylor's proposition

2. The Govt. have in decided terms refused to sanction alterations in the establishments of other Districts, which have been proposed without regard to the principle "that, the reductions are to be made in those offices, the duties of which will be affected by the establishment of a Press;" and they see no reason whatever to make any exception in the case of South Arcot. The Govt. have, in the case of another District, remarked that if the Press does not save the Collector's establishment any trouble, it has not effected its purpose, and that "as the same result has not followed in any other District, the Govt. are of opinion that the Collector's arrangements are faulty:"

Ext: Mins. Cons 26th Febry 1857 No. 207.
10th Novr. " " 1143.

3. The Govt., in Extract Minutes of Consultation dated 20th Novr. 1857 No. 1189, required the Acting Collector to explain, through the Board of Revenue, under what authority he had abolished the office of Translator, and otherwise distributed the pay thereof. Mr. Taylor states on the subject that "as it devolved upon" him "to make provision for the increased establishment urgently and imperatively required to work the District Press," he has ventured "to abolish the office of Translator, which of all the situations under" his "authority" he "found to be that which" he "could most easily dispense with, without impairing the general efficiency of the office or inflicting injury upon any particular individuals." Mr. Taylor has thus assumed an authority which, until lately, has been denied to the Govt., and has been conceded only on condition that the alterations they sanction are periodically submitted to the Govt. of India. The Govt. are therefore constrained to request the Board of Revenue to direct Mr. Taylor at once to restore to his Establishment the office of Translator and to report his having done so. On other grounds also, it is necessary that the office of Translator should be maintained in the Collector's office.

It is quite obvious that the services of such a servant must be constantly required, and that in his absence, the duty must be performed by some other person, the Govt. consider it desirable that it should be some one servants duty to translate, and that he should be responsible for the Correctness of his work.

4. The Govt. also observe that in South Arcot the Salaries of the servants named in the Margin have been appropriated to the Press from the dates specified. These alterations also appear to be unsupported by authority, and are equally irregular.

The Translator's pay appears to have been distributed in the manner noticed since 22nd October last.

Remarks by Accountant-General.

This period does not count being service in inferior grades. This period cannot be verified either from the records of the Dist. Engineer or from those of the Controller of Pub: Works Accts. Vide their letters accompanying. His name and other particulars are traceable from the Annual Return of 1 May 1857 on record in this office & a portion of this period is also supported by a testimonial granted to the applicant in July/57 by Captn. Greenaway. Vide Service Register. Should Govt. with reference to the above accept the period his entire qualifying service will be yrs 16 10-20 but the inclusion of this period does not in any way affect the pension — (1) Temporary does not qualify — (a) Verified from the records of the Collr of S. Arcot, the verification being confirmed partly from Annual Returns & partly from Audit Registers on record in this Office — Service in the Police Deptt has been verified by the Supdt of Police —

REMARKS BY HEAD OF OFFICE,

1. As to character and past conduct of Applicant. The applicant's conduct, except in the instances mentioned in Remark 2 seems to have been good throughout his service. Being unfit for further service on account of old age and general debility as will be seen from the accompanying medical certificate the Collector recommends him for an Invalid Pension of Rs. 11-7-10 per mensem under Clause (b) section 56 Chapter [illegible] of the Civil Pension Code.

2. Explanation of any suspension or degradation. I. The transfer of the applicant on the 25th May 1858 from the post of Gumasta on 25 Rs. to that of 24½ Rs. was not the result of any fault on his part. The applicant was appointed to the former post in consequence of the temporary abolition of the office of Translator and the distribution of the pay thereof in the manner specified in the margin of para 3 of Extract from the Minutes of Consultation dated [illegible] May 1858 No. 630 Revenue Dept. Communicated to the [illegible]. As the Govt. in their order quoted above refused to sanction the abolition and distribution of the pay of the Translator the posts of Rs. 15 and 25 held by the applicant from 22 October and 2 November 1857 respectively were deemed temporary and the total period of the service in those appointments amounting to 6 months and 4 days was shewn in Column headed "Period not reckoned as service". Vide translation of Takeeds marked from A to D accompanying.
II. The reduction of the salary of the applicant from 25 to 20 Rs on the 1 September 1860 was in consequence of the reason stated in the accompanying Yadast sent to the Salt Dy. Collr. marked [illegible]. It will be seen that pending the receipt of sanction to Mr. Petty's scale of Est. the salary of the Hd. Clerk was ordered by the Collr. to be drawn at Rs. 20 instead of Rs. 25.
III. The applicant was degraded on the 29 May 1871 from the post of Salt Supdt. at Kallar on Rs. 56 to that of 2d class Revenue Inspector at Trickaloor Taluq on 25 Rs. for the following reasons (a) that the applicant failed to see properly executed the [illegible] Channel work for which certain [illegible] was placed at his disposal (b) that he did not report the failure of the Contractor to remove the brushwood by the roots. Vide Copies of letters Nos. 19 and 327 dated 20 April 1871 and 16 May 1871 respectively accompanying.
IV. On the 1 August 1873 the applicant was degraded from the post of 1st class R. Inspector on 30 Rs. to that of 2d class on 25 Rs. on account of delay in reporting on a boundary dispute (Vide accompanying Copy of letter No. 315 dated 30 July 1873 and Docket No. [illegible] dated 4 August 1873.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. None.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it, None.

5. Any other remarks. The absence of one day [illegible] been entered under Column "Period not reckoned as service" is explained thus. The applicant obtained sick leave for one month from 9 October to 8 November 1872 and rejoined his Hd. Quarters at Elavanasoor on the 9th the date on which he should have joined but his locum tenens having been absent from the Hd. quarters on duty, the applicant could not take charge on the 9th. He accordingly took charge on the 10th.

The delay in the submission of this case was in consequence of the service lists of the applicant called for from the Collr. and Dist. Engineer of the Godavery Dist. having been received only on the 16 and 17 Instant respectively.

The service register of the applicant is herewith sent.
