Sir,

With reference to your endorsement No 1352, of 13th October 1874 on the Controller's letter No 32 dated 2d Idem returning the pension application of late Head Accountant C. Veerasalingum and calling for explanation on certain points I have the honor to furnish you with the following explanation which is obtained from Veerasalingum.

2. In clauses I and II para 1 of the Controller's letter in question, he requests information on two points; 1 the sources from which the Applicant's Services have been verified, 2 the circumstances under which the sick leave granted to him from 1st January to 24th March 1873 has been omitted from the History of Service. The

The Applicant produces one Service Register marked C. from which he verified his services entered in the History of Service annexed to the application for pension. From the comparative statement annexed to the clause I above referred to it is observed that Veerasalingum drew pay in Golugondah Range from 1st July 1863 to 15th September 1865 as Writer and Accountant on Rs 30 and from 16th September to 22nd October as an Accountant on Rs 40; while the entries in the copies of audited Bills in this Office represent that he drew pay at the rate of Rs 30 as Acting Accountant for the latter period also. Veerasalingum states that his appointment as Accountant of Vizianagram Range was Gazetted on the date which is entered in the History of Service but pay was not drawn by him until 13th November 1865 as shewn by the Controller but the applicant requests to reckon 21 days from 23rd October to 12th November 1865 for which pay was not drawn, towards his pension as he had held Appointment for that period and was employed in delivering over charge of one Office and taking over that of another. The dates entered by the Controller against

acct/

the

the appointment of Dy Accountant Vizagapatam Range are those for which pay was drawn, whereas the dates entered in the History Service are those on which orders were issued to take up the Appointment. The Leave referred to in clause II was inadvertently omitted in the History of Service which is now supplied.

3. The Controller in para 2 requests to forward any vouchers to prove that the Applicant held appointments under Captain Pollard and Mr Hawkins and in Vizagapatam Range from 11th January 1860 to 30th April 1860. One original Certificate marked A which the Applicant possessed was given by Captain Pollard. One Telugu memo marked B. and was signed by Mr Hawkins and Service Register marked C are produced by the applicant. These documents are herewith forwarded. The enclosure marked A. shows that the Applicant served under Captain Pollard for 4 months but it cannot be ascertained from what time to what time. The enclosure B. represent that the applicant was employed under Mr Hawkins as writer and from the item No 4 in the enclosed Service

Register

Register[x], it can be seen that the Applicant had held the appointment of Accountant in Vizagapatam from 11th January 1860 to 5th October 1861.

x Marked C.

4. In para 3 of his Letter the Controller says that persons, other than the Applicant drew pay for the period noted in the margin. From the item No. 3 in the enclosure marked C, it appears that the Applicant was employed as Writer in District Engineer's Office Vizagapatam from 1st August 1859 to 10th January 1860 vice Mr. G. H. Raynard resigned; but the applicant cannot explain how pay was drawn on the name of Mr. G. H. Raynard while the Applicant held the Appointment and actually received pay for that period. This must be ascertained from the records in the District Engineer's Office. Ramiah who acted for him (Veerasalingum) until the latter joined the Vizianagram Range Office to which he had been posted in the amalgamation of 1865, drew pay from 23d October to 12th November 1865 as Accountant of this Range. The cause of break in the Applicant's service from 1st August 1857 to 31st January

From 1st August 1859 to 10th January 1860 Mr. H. G.
Raynard drew Rs. 30 as writer in District Engineer's Office.
From 23d October 1865 to 31st October Ramiah drew
Rs. 40 as Accountant in Golgondah Range
From 1st to 12th November 1865 Ramaswamy -Do-

January 1858 was that the Applicant lost his employment as Draughtsman under Captain Pollard in Consequence of the .. reduction of establishment vide that officer's certificate enclosed and this cause has been entered in the History of Service.

The Controller in para 4 of his Letter says that no trace of the Applicant's service can be found from 31st March 1857 to 30th April 1857. The Applicant informs that this period is the portion of the time (4 months) during which he was employed under Captain Pollard.

5. The application is now prepared in the printed form received from the Controller vide para 5 of his Letter. The omissions pointed out in paras 6 and 7 have been supplied and the application is herewith resubmitted. The original discharge certificate of the Applicant granted by the Military Department is also forwarded as called for in para 8 of the Controller's Letter under reply.
