Certified that I have carefully examined C. Narrainasawmy Moodly son of C. Sabapathy Moodly Head Accountant in the Public Works Department Cuddapah Range - His age is by his own Statement 48 years, and by appearance about 55 years - I consider C. Narrainasawmy Moodly to be completely and permanently incapacitated for further Service of any kind, or in the Department to which he belongs, in consequence of premature, old age, and infirmity, attended with impaired vision, loss of memory &c - His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Sir

In retransmitting the Pension papers of Cuddalore Narayanaswamy Moodely late Head Accountant Cuddapah Range returned with your Memorandum No 907 dated 30th April, I have the honor to furnish the following information on the several points therein called for.

2 Column headed "How verified" on the 2d. page of the Pension application has been filled up from the information obtained from Pay Abstract books, Service Register & annual list of Establishments kept in the late District Engineer's Office, Cuddapah as well as Superintending Engineer's Office late

3rd Division and the present District Engineer's Office. From the enclosed 2 original Vouchers in possession + to be returned of the applicant & from the Pay Abstract Books of the old District Engineer's Establishment Cuddapah District it has been gathered that the applicant had been employed as Assistant Writer & Head Writer & Deputy Accountant respectively during the periods noted in the margin. The designations nearly correspond with those stated to have been entered in the annual returns & Audit registers of the Accountant General & your Offices —

From 1st March 1853 to 31st May 1856 Assistant Writer on Rs 35 & not as stated in the margin of para 2
1st June 1856 to 21st April/58 Head writer on Rs } 50
22d April 1858 to 31st March 1859 Assistant writer on Rs } 35
1st April 1859 to 30th April/63 & not 30th April/60 Deputy Accountant on Rs } 45

3 In the Pay Abstract books of 1858/59 it is noted that Cuddalore Narayanaswamy Mood. drew pay as Deputy Accountant in the District Engineer's Establishment Cuddapah from 1st April 1859 & one S. Rungiah Chetty as Head writer from the same period.

4 Moiety of pay amounting to Rs 20-5-6 appears to have been deducted on account of sick leave taken by this man from 17th January to 19th February 1859, whilst Rs 13-3-4 were paid to one Madooranayagum Moodly as his substitute from full pay drawn for Narayanaswamy while on leave on private affairs from 23rd May to 3rd June 1861

5 The date of the applicant's birth by Christian Era has been entered & column 11 of pages 3 & 5 of the Service Register has been filled up by noting therein the reason of the termination of each appointment.

Extract from letter No. 1280 D/ 8th March 1858 from the District Engineer of Cuddapah to the Chief Engineer D. P. W.

I have the honor to bring to your notice the extremely inefficient state of the District office here. I refer more particularly to the Head Servants in the office. The Head writer beyond writing a fair hand has not one single qualification for his post. He cannot make a draft of the most ordinary letter,- he is neither quick nor intelligent;- at times he seems to lose his memory altogether,- and he has no control over the lower grades in the Office. In fact beyond being a good Copyist, I have had no assistance from him since I took charge of the District, and You must be aware how very much one's efficiency depends on being well supported by a good Office. Captain Hemery I know was of my opinion;- he repeatedly told me that the man was placed far above his deserts and that he was by no means fit to be at the head of the District Office.
