Certified that I J. Wilson Surgeon Major Civil Surgeon Trichinopoly have carefully examined C. Streenivasa Pillai, son of Soobooray Pillai; a Boundary Inspector in the No. III Demarcation Party. His age is by his own statement 45 years and by appearance about 55 year I Consider C. Streenivasa Pillai to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of Malarious fever and weakly state of health. His incapacity does not appear to me to have been caused by irregular and intemperate habits.

REMARS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Character good. Has done 21 years hard work in the field - trusted by all Officers under whom he has served

2. Explanation of any suspension or degradation. His pay was increased on temporary transfer to another Party, & he reverted to his former pay when re-transferred to Coimbatore. His reduction in 1873 was owing to his incapacity from failing health, to perform his duties as Inspector

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. None

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it. None

5. Any other remarks. This case is strongly recommended. C. Ramasawmy Pillay is one of a very few men who has been (or ever will be) able to undergo the fatigues & exposure of a Surveyor's life sufficiently long to entitle him to any pension
