Memorandum

The Secretary in the P. W. D has the honor to recommend that the accompanying scale of Establishment be substituted for the present scale from the 1st April 1875. No reduction of the total cost Rupees 2533 (inclusive of Attendas Moochees and 13 Peons) has been found practicable, as the object of the revision was the attainment of efficiency in the Office, which has for a long time been in a very unsatisfactory state. The change of scale and the re-arrangement of individuals in places fitted to their capacities, involves dispensing with the services of 8 Men; in lieu of whom only 3 New hands do will be entertained reducing the total number from 29 to 24 exclusive of inferior ranks above noted, and the reduction of 3 individuals to lower salaries, with an increase of salaries to 9 others; a general rise of salaries resulting from the smaller numbers, is especially required to provide adequately for the men who accompany the Office to Battee ammed; of whom it will be necessary for the future to take 2 more than has hitherto been usual.

The details of the revision have occupied the Secretary many months in discussion with his Office Assistants, the result of which is now submitted for sanction.

Secretary to Govt P. W. D.

No. 509. Read Memorandum by the Secretary to Government, Public Works Department, dated Madras, 19th February 1875.

No. 510. ORDER THEREON, 20th March 1875, No. 786.

ESTABLISHMENT, No. 31.

FOR the reasons adduced in the above memorandum His Excellency the Governor in Council sanctions the revised scale of establishment proposed for the Public Works Department of the Government Secretariat which it is observed involves no additional cost.

2. As it is impracticable to carry out the revised arrangements at once, the Controller of Public Works Accounts will be authorized, pending complete effect being given to these orders, to pass the Salary Bill of the Department for the total amount without reference to individual salaries which, however, should not exceed the sums sanctioned.

3. The revised scale will, as far as practicable, have effect from the 1st April, and the confirmation of the Government of India will be applied for.
