Any other remarks.

Though the applicant lost his appointment for absence without leave, yet, an invalid gratuity is recommended on his behalf, because his absence was the result of his eye disease as will be seen from the enclosed copies of correspondence between the Head Assistant Collector and the Zilla Surgeon. He was erroneously stated in the Pay abstract for March 1873 to have resigned.

2 The delay in submitting this application is owing to the applicant's non-appearance till August 1874 and to search having to be made in the records to verify his services as he kept no service book.

The applicant's explanation for his delay is, that he went to Travancore and other places for the treatment of ophthalmia from which he was suffering.

To The M. Head Assistant Collector

Sir

With reference to my letters, Nos. 96 & 100
dated 14 & 16 August 1872 respectively
to the Head Assistant Collector, I have the honor
to inform you that concerning one man named Ramachandra

who came for treatment for an affection
of the eye, I have the honor to inform you
again that he was in hospital under
treatment from 26 July to 13 August;
he then absconded after I informed him
that an operation was necessary (evidently through
fear).

He now presents himself being absent
thru my leave for nearly five months
and his eyes are in such a state that it is
my professional opinion, cure is hopeless.

However much may be done for him
in the eye infirmary at Madras where he is
willing to go & should you be pleased to grant
him 3 or 4 months leave I will feel disposed
to give him a certificate to that effect.

But I must add that it is all
his own fault that his eyes have come
to the state they are in, for he neglected early
proper treatment.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior } grades has been duly proved for {superior } years 8 months and 16 days; and that a {specimen } not exceeding Rs. 1000/- has been duly verified. But that as the Cause of the man's removal from service is recorded to be absence without leave this Office is precluded from giving the usual "Clear" report under the rules. It appears however from the Collector's remarks in the separate sheet added to the application that the absence which led to removal was the result of eye disease and this statement is corroborated by a medical certificate. It rests therefore with you to decide whether the case is to be considered one of "working" and if so to award the gratuity of 1 month's pay or Rs. 100/- all in all under the Code.
