Certified that I, C. Sibthorpe Resident Surgeon General Hospital, Madras, have carefully examined Iyacunnoo son of Anthony a Lascar of the Medical College, Madras. His age is, by his own statement, 60 years, and by appearance about 55 years. I consider Iyacunnoo to be completely and permanently incapacitated for further service of any kind, in the Department to which he belongs, in consequence of Leprosy.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.
