Certified that I Henry Hitchcock Acting Zillah Surgeon of Rajahmundry have carefully examined Mr. Leon Eugene De Bras 2nd grade Del attached to No. 3 in Western Delta Range, Department of Public Works Godavery District son of Mr. Mathew De Bras. His age is, by his own statement, forty nine years and six months and by appearance, about fifty years. I consider Mr. Leon Eugene De Bras to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of general debility and heart disease. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Proceedings of the Madras Government, Public Works Department,
29th January 1875.

No. 531. Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 31st December 1874, No. 3,049:—

Extract from Disallowance List.

I HAVE the honor to report that in July last the Officer then in charge of No. 3 Range informed me that he found Delta Superintendent, L. E. D'Bras, very inefficient, and that he considered him physically unfit for the duties of his post.

2. As Mr. D'Bras had been several years in the public service, before deciding what should be done with him, I directed the Range Officer to ascertain and let me know the opinion of the Civil Surgeon.

3. This resulted in Mr. D'Bras' obtaining a medical certificate of unfitness for further service, I thereupon directed the Range Officer to have him relieved as quickly as possible.

4. The certificate was dated Rajahmundry, 3rd August, Mr. D'Bras returned to his station in the Western Delta, a distance of about 50 miles, arrangements were made for carrying on his work, and he was finally relieved on the 21st August.

5. The Controller has disallowed Mr. D'Bras' pay* from 3rd to 21st August 1874, and considers special sanction of Government necessary; I have, therefore, the honor to request you will be good enough to obtain this.

*Rupees 24-8-3.

6. I referred the Controller to the Notification of the Government of India, Financial Department, No. 4,535, of 24th July 1874, but he does not consider the rule there laid down applicable to this case. The Range Officer also observed that it was not understood how it could be expected that when a man gets such a certificate he can then and there be relieved. He must first return to his station to give over charge, and perhaps go about for some days with the person who relieves him, visiting works, etc.

No. 532. ORDER THEREON, 29th January 1875, No. 258.

ESTABLISHMENT, No, 34.

THE Controller was quite in order in disallowing the salary; but, under the circumstances represented, His Excellency the Governor in Council sanctions the payment of Rupees 24-8-3 to Mr. D'Bras.

I have the honor to forward, for transmission to Government, the accompanying application for the grant of an invalid gratuity to Mr. L. E. D'Bras, late a Delta Superintendent in the Godavery District. The circumstances under which the applicant's services were retained for 18 days subsequent to the date on which he was declared by the Medical Officer to be unfit for further service has been explained by the District Engineer in his letter recorded in G. O. No. 258 dated 29th January 1875.

2. The audit registers of this Office shew that the applicant was promoted to the rank of Delta Superintendent of the 3rd grade and drew salary at the rate of Rs. 40/- per mensem from the 1st June 1869, but from the Executive Engineer's

Memo

Memo No. 55 dated 8th June 1869 the promotion appears to have been ordered to have effect from the 1st July 1869. The difference however does not affect the amount of gratuity to which Mr. D' Bras is eligible under the rules.
