Sir

I have the honor to submit an application for superannuation pension on behalf of U Vencatasen, Head Catamaran Maistry, aged 72 years, who, from old age and infirmity, is incapacitated for further service.

2 He joined the Department in August 1832 as a Catamaran man, and was promoted in October 1852 as Deputy Catamaran Maistry. He continued in that post till March 1856, when he was prostrated by a severe attack of diarrhaa, from which he lapsed into the

the state of a valetudinarian, and was unfit for his laborious work afloat for a long period, during which a substitute was employed. In October 1860 Vencatasen resumed his duties, renovated in health and strength, and in September 1863 he was created Head Catamaran maistry, in which capacity he continued till the 15th instant, when he was removed from the effective list.

3 His service extends over a period of 37 years and 1½ months, exclusive of the 4 years and 6 months he was unfit for active employment, and it affords me pleasure to bear testimony to his uniform good conduct and excellent character, during the long term of his service.

4 By Section 38, Chapter VIII, of the Civil Pension Code, 2d Edition, it would appear that servants of the applicants class are to be treated as "Inferior", and consequently he is only entitled to a pension not exceeding 4 Rupees, although his salary was Rupees 17/8. I beg, however, to draw the attention of Government to the case of his predecessor, who, after a service of 21 years, 11 months, and 9 days, was granted a one third pension, vide Proceedings of Government, Pension Department, No. 265, of the 8th September 1863.

5 In accordance with the above precedent, I beg to recommend that the Government will be pleased to take into favorable consideration the long and faithful service of U Vencatasen, and allow him a half pension of Rupees 8/12, which will be debitable in equal proportions to the Port Fund and General Revenues.
