No 23.
 I certify that I have carefully examined
 Lutchikham, son of Paupiah, lately a measurer in
 the Establishment of the Madras Salt Collector.
 His age is by his own statement 65 years and his
 appearance about 70 years. I consider Lutchikham
 to be completely and permanently incapacitated
 for further service of any kind in the Department
 to which he belongs in consequence of old age
 incipient double Cataract and Arcus Senilis;
 this incapacity does not appear to have been caused
 by irregular or intemperate habits.
