Read the following papers :—

From the Collector of Tanjore, dated 22nd February 1875.
Do. Accountant-General, dated 4th June 1875, No. 163.

ORDER THEREON, 13th September 1875, No. 531.

Application is made for the grant of a superannuation pension to Hydala Appaji Rao Narayana Rao, late 3rd Vernacular Accountant in the office of the Collector of Tanjore.

2. The applicant's qualifying service is returned as twenty-seven years, seven months, and six days by the Collector, but from this the Accountant-General has deducted four years and six months spent as Devastanum Goomastah on the ground that Narayana Rao was not a Government servant when taken into the Devastanum establishment.

3. The Accountant-General is correct as to the rule, but the case of the old Devastanum establishments was peculiar; and it has always been customary to admit service on them provided it was prior to the severance of the Government connexion with the pagodas. In order to decide the present case, it is necessary to know on what date the Government management ceased in Tanjore, and the Collector will report on this point.

4. In the meantime His Excellency the Governor in Council is pleased to grant to H. A. R. Narayana Rao a superannuation pension of Rupees 5-2-2 per mensem, equal to one-third of his average salary, payable from the 29th January 1875.

2. Devastanam Service has been sanctioned as qualifying for pension Accordg to the provisions of Victoria da Tundali Cond others. Viswanatha Tundali was first employed as Devastanam Jasabnavis on 14 Rs per mensem and Continued in it for 9 years 4 months and was subsequently promoted to the post of Karyam Gumastah. Proceedings of the Madras Government

Read the following

From The Collector of Tanjore / Steve Easter 4th October 1861

Report of the Civil Paymaster — 16th October —

Order thereon dated 1st November 1861 No 355

The Collector of Tanjore submits with his letter the medical certificates and applications for Pension of 3 individuals lately employed on the Revenue Establishment of the District.

2 Two of these individuals Vyasa Rau and Rama Rau were thrown out of employ in the recent revision of Establishments, and when last employed held respectively the posts of Tcheildar of the Manargudi, and Peshcar in the Nannilam Talugs.

3 Vyasa Rau, the Civil Paymaster reports, can reckon 33 years 1 month and 11 days service qualifying for Pension, and

and is entitled to a Pension of ½ his sa-
lary. The Zillah Surgeon has declined to
grant him a Medical Certificate of un-
-fitness for further service, but Mr Cadell
states that Vyasa Rau has represented to
him that he is suffering from a Rheu-
-matic affection of the arms and limbs;
and that he is incapable of active exertions
Under these circumstances the Government
consider it inadvisable to order the re-
-tention of Vyasa Rau's services, and resolve
to admit him to a Pension of half his
salary at Rs 59-8-., in accordance with
the provisions of their order No 532 dated
26th October 1860.

4 The Civil Paymaster reports
that Rama Rau can reckon a continu-
-ous service of 26 years 4 months, and 9 days
qualifying for Pension; he has furnished
the necessary Medical Certificate of unfit-
-ness for further service; and the Govern-
-ment resolve in accordance with the
Civil Pension and Gratuity Rules to admit
him to a Pension of one third his salary
at Rs 3-8-. to which he has been found
entitled by length of service.

Mr. Cadell

5 Mr Cadell points out that the circumstances under which the 3d individual Rungasamia now applies for Pension are somewhat peculiar, and he explains that his removal from the Public service was not in consequence of the late revision of Establishments, but dates so far back as 1857.

6 It appears that in June 1855 Rungasamia, then Peishcar in the late Kimedee Taluq, was called on to apply for Pension by the Collector Mr Forbes on account of Remissness in the discharge of his duties. But being unable to obtain a certificate of incapacity for further active service, he was subsequently employed in an inferior situation as superintendent of the supply of grain to a Charitable institution attached to the late Raj. This employment, however, was put a stop to at the death of the late Rajah in October 1857, and ever since then Rungasamia has been applying for reemployment or a Pension. In 1859 a correspondence took place on this subject between

between the Board of Revenue and the Collector, and the Board concurred with Mr Cadell in considering that some remuneration should be given; but desired him, in bringing Ranga-samia's claims to the notice of Government, to exercise his own discretion in recommending him for grant of Pension, or gratuity.

7 It is observed that when Ranga-samia was removed from the Peishcar's situation in 1855 he had served Government for a continuous period of 27 years in posts qualifying for Pension, and he has now produced a Certificate of unfitness for further service. The Civil Paymaster reports that his services as superintendent of the grain distribution cannot be reckoned towards Pension, but that if Government, after such a lapse of time, are disposed to admit his claim, Rangasamia is entitled to a Pension of one third his salary.

8 In consideration of the peculiar circumstances of the case the Government resolve to admit Rangasamia to a Pension of one third his salary or Rs 4-12-0.

They

(2)

They are of opinion that the delay that has occurred in submitting the case for final decision has been excessive and inexcusable.

9 The Collector states, it is observed, that provisions for these three applications for Pension has been made in his supplemental Budget
