FROM

THE HON. D. F. CARMICHAEL,
Officiating Chief Secretary to the Government of Fort St. George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to forward the accompanying papers relating to the case of one T. Narsimooloo Naidoo on whose behalf an application has been made for a compensation gratuity, consequent on his being thrown out of employment on a reduction of establishment.

2. The applicant was entertained as a Writer in the Medical Store Depôt at Secunderabad in the year 1870 and was discharged on the 28th of February last on the abolition of the depôt. He has since been for a short time employed in the Mineralogical Department of His Highness the Nizam, but it is now reported that, owing to that department having been broken up, he is again without employment.

3. It therefore becomes necessary to decide on his claim to a compensation gratuity, which is considered a doubtful one by the Control Department for the reasons stated in the margin.

"Government, in their Orders, Military Department, dated 16th December 1868, No. 4874, having sanctioned the employment of a Clerk in the Medical Store Depôt at Secunderabad, owing to the increase of the duties in the depôt on the abolition of the depôt at Bolarum attached to the Hyderabad Contingent, and the allowances granted to other similar Medical Store Depôts being only contract allowances, T. Narsimooloo Naidoo should apparently be considered not as employed in the regular office establishment, but paid out of a contract allowance as above. Accordingly the Medical Store-keeper drew pay for 'a Clerk' from 16th December 1868 to 31st July 1871."

4. His Excellency the Governor in Council, I am to state, is of opinion that, "a Clerk" on Rupees 20 per mensem having been specifically sanctioned for employment in the Medical Store Depôt at Secunderabad, the incumbent should be held to be eligible to the Pension and Gratuity Rules; but, as nothing is known of an increase in the pay of the appointment stated to have been sanctioned by the Government of India in 1873 at the instance of the Resident at Hyderabad, the case is now submitted for the consideration and orders of the Governor-General in Council.

I have the honor to be,
Sir,
Your most obedient servant,

OOTACAMUND,

2. The reason why the Gratuity has been calculated at Rs 20 instead of Rs 35, is that this Department has not been made aware of the sanctioned increase, and the amount has never been drawn in this Presidency.

3. The pay of the above individual (Rs 20) having been drawn in this Presidency, the application has been submitted through the Surgeon General.

T. Narsimoolooo Naidoo - Clerk in the Medical Store Deptt. at Secunderabad.

His service amounts to 3 years and 2 Months — Government in their Proceedings, Military Department, sanctioned the employment of a Clerk for the Medical Store Depôt at Secunderabad on Rs 20 per Mensem; but the employment not being in the regular Office Establishment, it is doubtful whether the same can be reckoned for Pension or Gratuity under Civil Pension Code. If Government be pleased to recognize such Service for Pension, the applicant will be entitled to a Compensation Gratuity of 3 Months' pay, — amounting to Rs 60 at Rs 20 per Mensem under Section 56(a) of the above Code.

T. Nursimooloo, was a Clerk in the D. I. General's office for about 18 months.

He is sharp, Intelligent, quick at work, willing, pains taking and has the making of a good Clerk. It was on him that I chiefly relied for constructing my larger reports, his good natured Intelligence reing then of value, his services were dispensed with solely owing to the misfortune to him, of frequent and prolonged illness, so that I could not calculate on his presence for work.

Sir,

I have the honor to submit an application from T. Narsinoodoo, Clerk in the Medical Store Depot, begging for an Increase of salary on account of the additional work he now has to perform as detailed below. In consequence of the Medical Store Depot at Bolarum being abolished, which provided medicines for the Contingent Troops, and the larger number of charitable Dispensaries in the Assigned Districts and the Barrs the clerical work of the Depot has considerably increased.

Dr. Balfour late Deputy Surgeon General H. S. Force, in a letter No. 1020, dated 9th September 1868, to the Inspector General I. M. D. declaring the nature of the duties of this Depot, recommended the Employment of a Clerk on a salary of Rs 35-0-0 but Rupees 20-0-0 only was sanctioned by the Madras Government.

The indents there numbered 50 but at the present time the number has increased to 70, and I submit that for such an augmentation of work there should in my opinion be a corresponding increase to the Clerks salary. Moreover the Returns have been altered lately, and are more elaborate and consequently require great labor and care.

A writer in an European Hospital obtains a salary of Rs. 35-0-0 whose work does not bear any comparision to the work performed in these stores.

Under these circumstances I trust the Inspector General will take into his favorable consideration, the application of the Clerk who begs he may be placed on an equality with an Hospital writer on a monthly salary of Rupees 35-0-0.

Sir,

I have the honor to submit for your consideration the enclosed copies of Correspondence ending with No. 2515 of 8th April 1873, from the Secretary to Inspector General, I. M. D. Fort Saint George relative to the salary of the Clerk, in the Medical Store Depot at Secunderabad.

2. The salary originally recommended for this post was Government Rupees 35 a month but the Madras Government sanctioned Rs 20 only. This was in 1863 and since that time the work in the store depot has considerably increased while the price of labor of all kinds has risen and the necessaries of life dearer.

4. I am informed by senior Apothecary Maguire, now attached to the cantonment Hospital here who was Manager of the Medical store depot at Kamptee

until its recent abolition that when the Nagpore and Kampteo Depots were amalgamated some years ago, the establishment that had belonged to the former was

1 Writer at	Govt. Rs	25	0	0
1 Compounder	„ „	8	0	0
2 Lascars (each)	„ „	6	5	8
1 Sweeper	„ „	6	0	0
1 Peon	„ „	6	0	0

allowed by the Government of the central provinces to the amalgamated depot in addition to its own.

5. I Learn from Mr. Sub Assistant Surgeon Moore, that the establishment of the Bolarum depot, was as shown in the margin but since the amalgamation of that depot with one here, two Lascars only have been allowed, by the Hyderabad, administration in addition to the establishment provided by the Madras Government.

1 Sub Assistant Surgeon on Govt.	Rs	145	14	0
1 Writer	„	35	0	0
2 Lascars (each)	„ „	6	13	6

6. Considering this, and also considering that within the last three years the per centage advance charged on medicines &c, supplied to the Berar Hospital has been reduced from 25 to 15 I venture to hope that you may feel able to sanction the increase of 15 Rs. Government asked for to the Clerks salary.

7. I am the more solicitous on this point that I fear it will be impossible to retain the services of the present Clerk, who has become thoroughly acquainted with the work, on his present pay. Indeed I have just received an application from him for permission to resign his post, as he has an opportunity of obtaining another situation on a higher salary.

8. A new man would for some time be comparatively useless; even if one should be procurable, at all on the present rate of pay;—which I think is doubtful.

9. Under the circumstances mentioned, I would solicit the favor of a reply as early as possible.

Respected Sir,

I respectfully beg to bring to your notice that the Medical Store here having been abolished I am thrown out of Employ, I have endeavoured to the best of my ability to do my duty thoroughly with zeal for the 5 Years, I have been employed in the Depot and have had the satisfaction of obtaining favorable testimonials, from all my Superiors who from time to time held charge of the Depot.

May I persume to remind you that you were so good as to notice favourably the manner in which I performed my work while employed in your Office at this station in the year 1868. And lately when D Barclay asked the Resident for an addition to my salary, remarked of me as follows.

(Para 7.) "I am the more solicitous on this point that I fear it will be impossible to retain the services of the present Clerk, who has become thoroughly acquainted with the work, on his present pay. Indeed I have just received an application from him for permission to resign his post, as he has an opportunity of obtaining an other situation on a higher salary."

Under the above Circumstances may I humbly beg that your Honour will kindly grant me a letter of recommendation to Dr. Wyndowe Darbar Surgeon Residency, who will I am assured at your request provide me with a post in the Nizam's Service which, if I should obtain, I shall use my best endeavours to render the same satisfaction as I have tried to do under Government and to do justice to your kind recommendation.

Humbly begging respected Sir, you will pardon this intrusion.

Proceedings of the Madras Government, Military Department, 16th December 1868.

Read the following papers:—

No. 428. From the Inspector General Indian Medical Department, to the Secretary to Government, Military Department; dated Fort Saint George, 11th November 1868, No. 364.

The Deputy Inspector General Indian Medical Department, Hyderabad Subsidiary Force, has brought to my notice, the necessity for a clerk being added to the establishment attached to the Medical Store Depôt at Secunderabad.

2. The present establishment consists only of one Apothecary and four Lascars, and was formerly sufficient, but the work to be done has been greatly increased by the abolition of the Medical Store Depôt at Bolarum, from which the Hyderabad Contingent was supplied, and, in my opinion, the Deputy Inspector General clearly shows that the addition of a clerk is absolutely necessary.

3. As the increase of work is attributable to the Hyderabad Contingent, and Civil Dispensaries recently established, drawing their supplies from the Secunderabad Depôt, I suggested that the Resident at Hyderabad should be requested to provide for the addition to the establishment thereby rendered necessary, as has been done under similar circumstances by the Commissioner of the Central Provinces at the Kamptee Depôt, on account of stores being issued to the Civil Dispensaries in these Provinces. I am informed, however, by the Deputy Inspector General that this course is not approved of by the Resident at Hyderabad, and therefore respectfully request that Government will be pleased to sanction a clerk being added to the establishment in the Secunderabad Store Depôt, on the salary of Rupees 30 per mensem.

No. 429. From the Controller of Military Accounts, to the Secretary to Government, Military Department; dated Fort Saint George, 25th November 1868, B.

I have the honor to forward a letter from the Inspector General Indian Medical Department, No. 364 of 11th May 1868, requesting sanction to the employment of a clerk on Rupees 30 per mensem in the Medical Store Depôt at Secunderabad.

2. It is explained that the present establishment, consisting of one Apothecary and four Lascars, has been hitherto sufficient, but that, since the work of the Bolarum Depôt has been thrown upon the Secunderabad Stores, the services of a clerk are absolutely necessary.

3. The Medical Officer, to whom the miscellaneous duties at Secunderabad have been assigned, receives his pay as Surgeon Major, and a stationery allowance of Rupees 15, which is passed to him as being in charge of Medical Stores, though ordinarily included in the salary of a Senior Surgeon only in charge of Medical Stores.

Proceedings of Government, No. 3269 of 16th September 1864.

Vide para. 31, page 301, and table at page 321, Pay Code.

4. As much additional work has been thrown on the Secunderabad Stores by the abolition of the Bolarum Depôt, and the Apothecary in charge cannot devote his whole time to scriptory work, the services of a clerk appear necessary.

5. Rupees 30, however, is a high rate of pay for a clerk who need not, it is presumed, be above the standard of a copyist, for whom Rupees 20 per mensem would appear an adequate remuneration.

6. The charge is not fairly debitable to the Hyderabad Revenues, as a percentage for establishments is included in the cost of Medical Stores supplied to the Hyderabad Contingent and Civil Dispensaries under the Hyderabad Government.

5 per cent.

No. 430. ORDER THEREON, 16th December 1868, No. 4874.

Under the circumstances represented by the Inspector General Indian Medical Department, the Governor in Council sanctions the employment of a clerk on Rupees (20) twenty per mensem in the Medical Stores at Secunderabad, subject to the confirmation of the Government of India.

3. It therefore becomes necessary to decide on his claim to a compensation gratuity which is considered a doubtful one by the Control Department for the reasons stated in the margin.

4. His Excellency the Governor in Council I am to state is of opinion that "a clerk" on

"and the allowances granted to other similar Medical Store Depôts being only contract allowances, T. Accordingly the Medical Store-keeper drew pay for 'a clerk' from 16 December 1868 to 31 July 1871."
