the recent* revision of the Establishment of the Public Works Department Secretariat. Application has been made for the grant of compensation pensions and gratuities to these men, but

under the strict letter of the rules no retiring allowance appears to be admissible, as no saving was effected by the revision.

2. The services of the applicants and the amount of pension or gratuity claimed is shown in the accompanying statement, and it will be seen that with one exception they are all men of considerable service.

3. His Excellency the Governor in Council is of opinion that some special indulgence should be shown to these men whose cases are of considerable hardship; and he would recommend their being admitted to the retiring allowances applied for, subject to such deduction as may hereafter be decided on in the case of Pundala Etheeraujooloo Nayadu, whose conduct has not been pronounced altogether satisfactory.

I have the honor to be,

Sir,

Your most obedient servant,

From Captain L. CONWAY-GORDON, Controller of Public Works Accounts, to R. W. LODWICK, Esq., Accountant-General, dated Fort St. George, 26th July 1875, No. 47-P.

I have the honor to forward, for submission to Government in the Pension Department, the accompanying applications for the grant of compensation gratuities for the following Clerks of the Public Works Department of the Government Office, whose services were dispensed with on the reorganization of the Establishment on the 1st April 1875:—

M. Narasimmooloo Naidu.

M. Ramasawmy Moodeliar.

2. The Service Registers which accompanied the above applications are also herewith forwarded.

No. 318.

Submitted to Government with the remark that the grant of compensation gratuities as recommended by the Controller of Public Works Accounts is not admissible under Rule 5, Section 47, of the Civil Pension Code, as no saving to Government was effected by the revision of the Establishment in consequence of which the applicants were thrown out of employ.

2. The attention of Government is solicited to the explanation of the Secretary opposite to the fourth item on the third page of the applications.

3. The application on behalf of C. Sabaupathy Moodelly, referred to in letter, No. 47-P., of 26th ultimo, from the Controller of Public Works Accounts, has been withdrawn by the Secretary, owing to the man having since been provided with a place—vide memorandum, No. 20, dated 4th instant, and Controller's memorandum, No. 63-P., of 14th idem.

their pension equal to half their salary counting the whole of their service both in inferior and superior grades though one of them had been once admitted to gratuity and the other was reported by the Collector not entitled to a pension.

5. I have always borne an unblemished character and I beg to submit that the fact of my having after my appointment as Sea Customs Superintendent in 1860 exerted myself to the utmost for the interests of Government would be known from my having brought to the notice of the then Collector Mr Hodgson the malpractices of the merchants who were smuggling goods erecting for that purpose sheds on the river bank and put a stop to the clandestine landing of goods &c and used my endeavours to check every fraudulent practice and to increase the customs revenue from Rs 68,100 in 1861 to Rs 1,72,611 in 1871 which nearly equalled the revenue derived at the port of Mangalore and was double the amount collected at Pondicherry.

6. Besides the trade of the Port had considerably thrived during my incumbency and had risen from 7 to 10 lakhs and I beg that the Government

will be pleased to consider that under their order of 16th June 1860 such an increase entitled me to an enhancement of salary which if allowed and sanctioned at the time would have now contributed to increase my pension and that I have performed the duties of an important post on a small salary.

I therefore most humbly pray that Your Excellency will graciously be pleased to take the above circumstances into Your Excellency's benevolent consideration and grant me a pension of 15 Rupees equal to half my salary which will enable me to support myself and my large family in my old age.

With due respect and submission
I beg to remain

Very truly

ESTABLISHMENT, No. 31.

For the reasons adduced in the above memorandum His Excellency the Governor in Council sanctions the

revised scale of establishment proposed for the Public Works Department of the Government Secretariat which it is observed involves no additional cost.

2. As it is impracticable to carry out the revised arrangements at once, the Controller of Public Works Accounts will be authorized, pending complete effect being given to these orders, to pass the Salary Bill of the Department for the total amount without reference to individual salaries which, however, should not exceed the sums sanctioned.

3. The revised scale will, as far as practicable, have effect from the 1st April, and the confirmation of the Government of India will be applied for.

Read the following
No. 2083.

From Edward Gibson Esquire
Ag. Asst. Collector
In charge of South Canara
To J. G. Esquire
Secretary to the Board of
Revenue, Madras

Sir,

I have the honor to submit for

1. Petition, with enclosure dated 11th February 1874.
2. Copy of B. Fernandez's Service Register
3. Copy of G. O. No. 4th March 1851
4. Copy of G. O. No. 1140 - 25th August 1873.

consideration together with the papers as per margin, an application from Balthazar Fernandez, late Asst. Custom Assistant Superintendent of Barceos applying for increased Pension.

2. The Petitioner's whole service eligible

to pension amounts to years 29-1-29, but Government disallowed years 5-5-2 and sanctioned only a pension of Rs 12 instead of Rs 15 to which he would have been otherwise entitled, on the ground that a period of more than one year had elapsed between his resignation, and reappointment on a permanent establishment.

3. Petitioner says that he obtained employment before the expiry of one year after his resignation, that the temporary establishment upon which he was entertained became permanent subsequently, and that under Rule 1, Section 17, and Rule 1 Section 45 of the Civil Pension Code, the period disallowed counts towards pension.

4. The Maramut Establishment upon which Petitioner was entertained appears to have been revised, and made permanent under G.O. No 18 of 11 March

1857

1857, the last incumbent who succeeded to the post held by Petitioner having been confirmed under that authority.

5. I consider therefore the Petitioner's claim to pension, equal to one half of his pay, is valid, and recommend that if the Board agree with me, his case may be submitted for the favorable consideration of Government.

recent revision of the
Establishment of the

Secretariat Application

has been made for the grant of
Compensation pensions and gratuities
to these men but under the rules
no retiring allowance is admissible
as no saving was effected by
the revision.

The services of the
applicants and the amount of

pension

pension or gratuity claimed is shown in the accompanying statement and it will be seen that with one exception they are all men of considerable service, and in only one case is the character of the applicant unfavorably reported on.

3. His Excellency the Governor in Council is of opinion that some special indulgence should be shown to these men whose cases are of considerable hardship; and he would recommend their being admitted to the retiring allowances applied for subject to such deduction as may hereafter be decided on in the case of Sundala, Chetranjooloo & Nagdu whose character and past conduct are entered as unsatisfactory.
