| 4. Do. „ 440, 25th August 1873. | 2. The petitioner's whole service |

eligible to pension amounts to twenty-nine years, one month, and twenty-nine days, but Government disallowed five years, five months, and two days and sanctioned only a pension of Rupees 10 instead of Rupees 15, to which he would have been otherwise entitled, on the ground that a period of more than one year had elapsed between his resignation and reappointment on a permanent establishment.

3. Petitioner urges that he obtained employment before the expiry of one year after his resignation; that the temporary establishment upon which he was entertained became permanent subsequently; and that under Rule I., Section 17, and Rule I., Section 45, of the Civil Pension Code, the period disallowed counts towards pension.

4. The Maramut Establishment, upon which petitioner was entertained, appears to have been revised and made permanent under G.O., No. 78, of 4th March 1851, the last incumbent who succeeded to the post held by petitioner having been confirmed under that authority.

5. I consider therefore the petitioner's claim to pension, equal to one-half of his pay, is valid, and recommend that, if the Board agree with me, his case may be submitted for the favorable consideration of Government.

Submitted for the favorable consideration of Government.

OFFICIAL MEMORANDUM.

The undersigned has the honor to request that the services of Mr. B. Fernandez prior to the 30th June 1846, as shown in the accompanying application register, may be verified and their character stated, and that the cause of losing his employment on the 14th February 1847 may also be given.

(By order.)

FORT ST. GEORGE,
27th January 1875.

(Signed) L. A. CAMPBELL,
Acting Under Secretary.

To the Accountant-General.

From R. W. LODWICK, Esq., Accountant General, to the Honorable D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Fort St. George, 13th July 1875, No. 236.

Audit Department.

With reference to official memorandum, No. 1, of 27th January 1875, from the Under Secretary to Government, Pension Department, I have the honor to state that the services of Mr. B. Fernandez as Book-binder from 1st January 1841 to 31st May 1846 have been verified from the records of the Superintendent, Nugger Division, Mysore.

2. From the enclosed reply memorandum from the Collector of South Canara it would appear that the establishment of the Superintendent of the Nugger Division, Mysore, in which Mr. Fernandez is said to have served, was a Government establishment, and that it was paid from Imperial revenues, the case falling under Section 25 of the Civil Pension Code.

3. From the enclosed copy of certificate from the Superintendent, Nugger Division, dated 18th October 1850, it will be seen that the man was a Book-binder and "in addition to his own business he assisted the English Writers," hence the entry in the History of his services as "Book-binder and Copyist in the English Writers' Department;" but service as Book-binder previous to 1872 was not held qualifying for superior pension or gratuity though it has been so held subsequently.

4. It will also be seen from the enclosed papers that Mr. Fernandez, who was on leave at the time, was discharged from service on the 1st June 1846 for not returning to duty from leave. But in the enclosed copy of certificate above referred to it is stated that the man "was permitted (in June 1846) to resign his situation in order to return to his own country."

5. Mr. Fernandez was employed as an extra Maramut Gumastah on the establishment of the Collector of South Canara from 16th August 1846 to 14th February 1847, and on the latter date the extra work having ceased he was left without employment, hence the break from 15th February 1847.

*Proceedings of the Madras Government, Pension Department,
28th September 1875.*

ORDER THEREON, 28th September 1875, No. 561.

His Excellency the Governor in Council observes from the report of the Accountant-General that some doubt exists as to whether Mr. Fernandez resigned or was discharged "for not returning to duty from leave." He would be willing to give Mr. Fernandez the benefit of the doubt, but as on the 30th of June 1846, the date of his resignation or discharge, service as Book-binder was not eligible, Mr. Fernandez cannot now be permitted to claim a benefit subsequently granted (*vide* Section 5, Civil Pension Code, 2nd Edition). His service as Book-binder must therefore be treated as inferior.

2. The Accountant-General appears to be in error in stating that "service as Book-binder previous to 1872 was not held qualifying." This class of servants appears to have been admitted to the benefits of the Uncovenanted Pension Rules in January 1869 (*vide* Government of India Resolution, Financial Department, dated 2nd March 1869, No. 1407, recorded in G.O., Pension Department, dated 6th April 1869, No. 123).

the whole of my service prior to 1st March 1848 being excluded in the ground that my appointment to the Marumath Gumsa taluk on the 17th June 1847 (after resigning my service in the Mysore Taluk) was not a permanent one.

3 According to the old rules service on a temporary establishment which was subsequently made permanent was counted towards pension and under the 15th rule, an officer who resigned the public service before the 8th June 1843 and was reappointed to the service within 7 years after his resignation, is permitted to count his former service for pension. As the post of Marumath Gumsa to which I was appointed before the expiration of a year after I resigned my service in Mysore, was subsequently made permanent and I am an old servant, my service qualifying for pension according to the old rules would be 30.8.16 and entitle me to half pension under rule 6.

I. The Establishment of the Superintendent of Staggas Division Mysore, in which B. Fernandez is said to have been employed from January 1841 to June 1846 was a Government establishment and as such was paid from the Imperial Revenues.

(a). The accounts were rendered to the Commissioner of Mysore, now styled Chief Commissioner.

but it has on Section 25. (13)

III. The services of the Applicant in Staggas Division were not verified from the records of that establishment because the Applicant produced two original Certificates showing the necessary information required, and those Certificates were forwarded with his application (vide note in Column 10 of the Service Register). It however now appears from a letter from the Commissioner Staggas Division Mysore dated 18th March 1875, that B. Fernandez was employed in that Division from January 1841 to 31st May 1846, and that he was discharged on the latter date for not returning to duty.

I beg to state that it appears from the certificate of Mr. Anslow forwarded with my application for pension copy of which is herewith enclosed that I was allowed to retain my post of Book-binder in Mysore to June 1846 and was appointed within one year i.e. on the 17th June 1847 as Extra Gunasta in Maramat Establishment which was confirmed by Sir ^{the} Government order N^o 122 dated 14th February 1851 and have been since continually in the Government service in South Canon Collectors Department until the date of my retirement as would appear from my service Register.  regarding the leave obtained by him,

FROM THE ACCOUNTANT GENERAL

TO THE GOVERNMENT OF MADRAS,

TO THE

Chief Secretary to Government
Revenue Department

SIR,

With reference to official Memoirs of
of 27th January 1875 from the Under Secretary to
Government Revenue Department. I have the honor
to state that the services of Mr B Fernandez as book
binder from 1st January 1871 to 31 May 1876 have been
verified from the records of the Superintendent of
Division Mysore -

From the enclosed reply memo from the
Collector of South Canara it would appear that the
Establishment of the Superintendent of Mysore
Division Mysore in which Mr Fernandez was
to have served was a Government Establishment, and
that it was paid from Imperial Revenue is the
case falling under Section 25 of the Civil Service
Code -

From the enclosed copy of Certificate from
the Superintendent Mysore Division dated 18 October
1870 it will be seen that the man was a book binder
and "in addition to his own business he assisted the
English Writers" hence the entry in the History of his
services as "book binder and copyist in the
English Writers Department," but service as book
binder previous to 1872 was not held qualifying
for superior pension or gratuity though it had
been held subsequently -

It is now seen from the enclosed papers that Mr. Fernandez, who was on leave at the time, was discharged from service on the 1st June 1846 for not returning to duty from leave. But in the enclosed copy of Certificate above referred to it is stated that the same "was permitted (in June 1846) to resign his situation in order to return to his own Country."

Mr. Fernandez was employed as an Extra Marant Guastah on the Establishment of the collector of South America from 16 August 1846 to 14 February 1847, and on the latter date the Extra work having ceased he was left without employment - hence the break from 15 February 1847 -

Yours truly
 Sir,

Your obedient servant
W. H. Odier
 Accountant General

Proceedings of Government Pension Department dated
25th August 1878 N. 440.

From the Accountant General dated 13th July 1875 N. 2336.
Order thereon 28th September 1875 N. 561.

His Excellency the
Governor in Council observes from
the report of the Accountant
General that some doubt exists
as to whether Mr. Fernandez
resigned or was discharged for
not returning to duty from leave.
He would be willing to give
Mr. Fernandez the benefit of
the doubt but as on the 30th of
June 1846, the date of his
resignation or discharge, service
as per R binder was not eligible in

Mr.

2. Mr. Term under cannot now be permitted to claim a benefit subsequently granted. Vide Section 5 Civil Pension Code 2^d Edition. His service as Book Binder must therefore be treated as inferior.

2. The Accountant General appears to be in error in stating that Service as Book Binder was previous to 1872 was not held "qualifying". This clause of the Ordinance appears to have been admitted to the benefits of the Non-Consent Pension rules in January 1869. Vide Government of India Revenue and Finance Deptt. dated 2^d March 1869 N. 1407. Recorded in G. O. Pension Deptt. 6th April 1869 N. 123.

N.B. The pbs. of Mr. Term under seems admissible as far as his employment within a year goes but the question is whether he can now count as "inferior" his service as Book Binder which when he resigned was not eligible vide Section 5 Civil Pension Code. It appears to me he cannot.

cannot as the benefit was granted after his resignation and as there appears to be some question as to whether or not a decision it is presumed that there are not sufficient grounds on which to open his case.
