Pension.

Read the following papers:—

From the Acting Collector of Malabar, dated 22nd May 1875.

„ Accountant-General, dated 1st July 1875, No. 20.

ORDER THEREON, 29th September 1875, No. 563.

The service of Mr. Anthony Francis Pereira extends over no less a period than fifty-eight years, eight months, and twenty-four days. Of this, forty-three years, nine months, and nineteen days were passed as a bookbinder, on pay exceeding 10 Rupees, but on the 1st of May 1860 on the general revision of Revenue Establishment he became a Muchi.

2. Service as Muchi is classed as inferior by Section 38 of the Civil Pension Code (2nd Edition), and at the time when the applicant's appointment was converted into that of Muchi bookbinders were not eligible (or "inferior" servants). Government of India, Financial Notification, dated 2nd March 1869, No. 1047. Subsequently, however, the latter were

admitted to the benefit of the Pension Rules, so that had the applicant remained as bookbinder and not had his post altered he would now have been clearly entitled to a pension on the superior scale. Moreover had he remained a bookbinder until after the admission of such servants to the Pension Rules he would, under Section 64 of the Civil Pension Code, 2nd Edition, have had the option of counting towards a pension on the superior scale so much of his service as was eligible or superior, but as he became a Muchi prior to such admission it is doubtful whether his service as bookbinder may under Section 5, Civil Pension Code, be now treated as superior.

3. A reference on this point will be made to the Government of India, and, in the mean time, His Excellency the Governor in Council is pleased to grant to Mr. A. F. Pereira the invalid pension of Rupees (4) four per mensem, payable from the 6th April 1875, which is strictly admissible under Sections 49; 63 (c), and 64 of the Civil Pension Code, 2nd Edition.

Reply.

The undersigned has the honor to state that the entry as "Mooree" in the Annual Returns refers to, appears to be incorrect in as much as the designation of the applicant in the Office copy of the Day Returns, is shown as "Moorie".

By G.O. dated 23rd January 1859, the original entry for has not appeared to be necessary. It has however been the application as required. There appears to be no entry in record respecting the last of the applicant to K. B. on the 11th November 1858. This information was obtained from his affidavit (last submitted in January 1859) "has verified" in the 2nd page of the application.

The applicant's name was entered in the 12th page of the 1st May 1850 - as will be seen by the extract from the statement sent furnished in the Proceedings of the Board of Revenue of the 11th April 1850 - regarding the general revision of the Revenue of Malabar (copy of which is attached to have been communicated to you).
