FROM

THE HON. D. F. CARMICHAEL,
Officiating Chief Secretary to the Government of Fort St. George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to submit the accompanying case of Teruvengada Iyengar, lately a Taluq Overseer in the Public Works Department, District of Tanjore, for the favorable consideration of the Government of India.

2. The applicant's services extend over a period of thirty-three years, three months, and twelve days, but of this only fourteen years, eight months, and twenty-eight days were passed in superior grades. He is now certified to be unfit for further service, and is entitled to a gratuity of 1,200 Rupees, but he has been recommended by his superior officers for a pension of Rupees 38 per mensem, being half his average emoluments.

3. The grounds advanced for this recommendation are the excellent work which Teruvengada Iyengar has rendered, coupled with the fact that he was promoted out of the ordinary course for specially meritorious service in connexion with the construction of an important aqueduct.

4. His Excellency the Governor in Council is unable to support the application for so high a rate of pension, but looking to his lengthened good service, and considering that had he not been compelled to retire, he would in about three months' time have been entitled to a pension of Rupees 25-5-4, equal to one-third of his average emoluments, His Excellency would recommend that he be allowed a pension of 30 Rupees.

I have the honor to be,
Sir,
Your most obedient servant,

Officiating Chief Secretary.

OOTACAMUND,
20th October 1875.

From Captain L. CONWAY-GORDON, Controller of Public Works Accounts, to R. W. LODWICK, Esq., Accountant-General, dated Fort St. George, 17th July 1875, No. 40-P.

I have the honor to forward, for submission to Government, the enclosed application for the grant of a pension to Teruvengada Iyengar, late a Taluq Overseer in Tanjore.

Enclosures eleven.

2. It will be seen from the accompanying letter from the Superintending Engineer, Tanjore, No. 621, dated 10th May 1875, that the applicant's services extend over a period of thirty-three years, three months, and twelve days, of which eighteen years, six months, and fourteen days were served in inferior grades, but that in consequence of his good conduct his case is recommended for special consideration with reference to Section 65 of the Civil Pension Code.

3. No medical certificate of unfitness has been furnished, the Superintending Engineer being of opinion that as the applicant's transfer to the pension list has been ordered by Government (*vide* G.O. in the Public Works Department, No. 2883, dated 31st July 1874) the certificate is unnecessary.

The following are the papers which accompany the above application for pension:—

1. Letter from the Superintending Engineer, Tanjore, No. 2375, dated 18th December 1874.
1. Letter from Deputy Collector, Tanjore, No. 1700, dated 18th December 1874, with one statement of services.

With reference to G.O., No. 2083, dated the 31st July 1874, I have the honor to forward, herewith, in the prescribed form, an application for pension under Section 58 of the Civil Pension Code, on behalf of Teruvengada Iyengar, Overseer, first grade, in this district, who was relieved of his duties on the 12th October 1874, in view to being pensioned under the Government Order above quoted.

1 Copy of Chief Engineer's Circular No. 6167, dated 18th March 1863

With reference to G.O. No. 2083, dated 31st July 1874, I have the honor to forward herewith, in the prescribed form, an application for Pension under Section 58 of the Civil Pension Code, on behalf of Tiruvengada Iyengar, Overseer 1st grade in this

this District, who was relieved of his duties on the 12th October 1874, in view to being pensioned, under the G.O. above quoted.

2 The Iyengar's Services extend over a period of 33 years, 3 months and 12 days (exclusive of breaks) and of this period, he served 16 years and 9 months in the Revenue Department, and 16 years, 6 months and 12 days in the P.W. Department. His Services in the Revenue Department have been duly verified by the Deputy Collector in charge of the Treasury, Tanjore, (Vide Enclosure A) and his Service in the P.W. Department are borne out by the records of this Office.

3 It will be observed from the application for Pension that Tiruvengada Iyengar's Services in the Superior Grade, amount to 14 years, 8 months and 28 days, which render him eligible only to a Gratuity. But as the Iyengar was promoted from the inferior to the superior grade, viz. from the post of Monegar to that of Sub Overseer 2d Class 3rd grade, on account of good services rendered by him in the former post, as set forth in the accompanying copy of letter from the District Engineer to the Deputy Chief Engineer D.P.W., No. 169, dated 13d October 1859, his Services in the inferior grade appear to be entitled to consideration under Section 65 of the Civil Pension Code. In anticipation therefore of his case being favorably viewed by Government, a Pension of one half of his average pay has been entered for him in the Application.

As

4 As Tiruvengada Iyengar's transfer to the Pension List was sanctioned by Government in their Order quoted in para 1 above, the usual Medical Certificate in the prescribed form in support of the Application for Pension is not submitted -

5 I may mention that Tiruvengada Iyengar has in his time rendered good service, and has obtained favorable testimonials from the Officers under whom he has served, as will be seen from his Service Book, up to last year, when his papers for Pension were called for by Government, on reports from this Office, that he was not discharging his duties satisfactorily -

Financial Dept.

Sir,

I am directed to submit the accompanying case Teruvengada Ayengar, lately a ~~Talug~~ Road Overseer in the District of Tanjore for the favourable consideration of the Govt. of India.

2. The applicant's services extend over a period of 33 years 3 months and 12 days, but of this only 14 years 8 months 28 days

E. H.

I have struck out the [illegible] conduct. T: is hardly an old man & he has done such good service & I have proposed higher rate of pension than that he would have earned in 3 months - in consideration of his good service - long employment in inferior grades which does not count by rule - The 3 months service which doubtless have been performed had

* 15 years about

days were passed in superior grades - He is now certified to be unfit for further service, and is entitled to a gratuity of 1200 Rs, but he has been recommended by his Superior Officers for a pension of Rs 38 per mensem, being half his average emoluments -

3. The grounds advanced for this recommendation are the excellent work which Teruvengada Iyengar has rendered, coupled with the fact that he was promoted out of the ordinary course for specially meritorious service in connexion with the construction of an important aqueduct.

His

The Govt. knows that he wd. have earned pension in so short a further period of service - E.B.

4. His Excellency the Governor in Council is unable to support the application for so high a rate of pension ~~as he observes that the applicant's services were latterly, probably from failing health, unfavorably reported upon~~; but looking to his lengthened good service and considering that had he not been + compelled to retire, he would in about 3 months' time have been entitled to a pension of Rs 25-5-4 equal to 1/3 of his average emoluments, His Excellency would recommend that he be allowed a pension of ~~this amount~~ Thirty Rupees. +

Note
+ He was ordered to retire by Govt. but a medical certificate has also been obtained
