the District Engineer's letter No. 1468 dated 8th August 1874, the applicant appears to have been employed during the greater portion of this period as Bricklayer Maistry, and the Government of India have ruled in a similar case that such services cannot count towards pension (Vide G.O. in the Pension Department No. 358 dated 20th June 1874).

3. In his affidavit the applicant states that he was employed as a Maistry and this statement is borne out by the testimonials herewith forwarded. Deducting the above period of service, viz: (Y. M. D.) 8-3-8 from the applicant's entire period of service (Y. M. D. 25-10-12) it will be seen that he has served (Y. M. D.) 16-10-22 only in grades qualifying for pension.-

4. Of this period the applicant's services from 1st November 1856 to 31st March 1857 cannot be verified. It has therefore been accepted on the applicant's affidavit in which it is stated that he was employed during the period in question as a Writer and Maistry on a monthly salary of Rs. 30/- on the permanent Establishment of the Public Works Department.

5. The amount of pension to which the applicant is entitled under the above circumstances is Rs. 20/- per mensem debitable under Section 29, rule 1, in the following proportions to the General Revenues and Local Funds.

Rs. 12-14-11 To General Revenues
" 7-1-1 To Local Funds
Total 20-"-"

6. The retention of the applicant's services after the 5th May 1874, the date of the Medical Certificate, has been sanctioned in G.O. No. 2085 dated 31st July 1874, a copy of which is herewith forwarded.-

Certified that I have carefully examined Ome Ramanah Local Fund overseer No. III in Western Delta Range Department Public Works Godavery District son of Ome Appanah, His age is, by his own statement, fifty five years and by appearance, about fifty five years, I consider Ome Ramanah to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of old age and infirmity. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Proceedings of the Madras Government, Public Works Department, *31st July* 1874.

No. 721. Read the following docket from the Officiating Controller of Public Works Accounts, dated Fort St. George, 15th July 1874, No. 3,160 :—

COPY of the following letter from the District Engineer, Godavery, forwarded to the Secretary to Government for orders.

1 Disallowance Statement.

2. Under Rule I., Section 52, Chapter XI. of the Civil Pension Code, the sanction of Government is required for the disbursement of pay to any officer after the date of his being pronounced by a Medical Officer unfit for further service.

* See accompanying Disallowance Statement.

3. In the present case the subordinate concerned was declared unfit on the 5th May 1874. It appears however from the information now furnished by the Range Officer* and District Engineer that it was found impossible to relieve him of his charge in the Public Works Department until the 6th June 1874, authority is accordingly requested to pass, as a special case, such pay and travelling allowance as he may be entitled to up to that date.

4. It will be observed that no extra expense will be involved by this arrangement.

(Signed) T. MOSS,
Offg. Controller of P. W. Accounts.

From Major J. BEATTY, R.E., District Engineer, Godavery, to T. MOSS, Esq., Officiating Controller of Public Works Accounts, dated Dowlaishweram, 8th July 1874, No. 1,120.

WITH reference to the accompanying disallowance list, I have the honor to inform you that as therein stated the Officer in charge of No. 3 Range only retained Ominy Ramannah, after receiving the pension certificate, for the purpose of his handing over to his successor the cash, accounts, and works in his charge.

2. The District Engineer suddenly ordered Ramannah into Dowlaishweram to appear before a Medical Officer ; there was no time then to relieve him, and when he had obtained the certificate it was necessary to arrange for relieving him ; and, secondly, that his successor should go with him over the works he had charge of, measure up work and materials, etc.

3. No extra charge will thereby be incurred, as his successor's pay will only be drawn from the date of Ominy Ramannah's relief, so that as far as I know there should be no difficulty in passing the bill.

In returning the Accountant. General's Original Memo, which accompanied your letter of the 24th Ultimo, regard O. Ramamah's claim for pension, I hav the honor to offer the following explanati

1 The word "Ommy" represents the correct country or house name of Ramam It is spelt by some as above, and by some. Vommy, and this accounts for the alterati of the letter, which precedes the name Ramnah.

2 The nature of the work performed by him as a Bricklayer Maistry, it is presumed, is that usual with this class of men i.e the supervising work done by Brickla and laying out work from a given Pla

No. 365 Report on the Pension Application of Ommy Ramamah late Local Fund Overseer Godavery District.

77

In submitting the accompanying report of the Controller of Public Works Accounts on the pension application in behalf of O. Ramanah late Local Fund Overseer Godavery District, the undersigned has the honor to observe that a portion of the applicant's service from 24th July '48 to 31st October '56 is traceable from the Annual Returns on record in this Office as "Bricklayer Maistry" (a servant of inferior class) while from the enclosed testimonials obtained by the applicant during the period (wherein he is spoken of as maistry, service as such being countable under G. O. No. 226 dated 29th April '74) and the accompanying letter No. 1074 dated 3rd July '75 from the District Engineer Godavery, the duties of the applicant during the period appear to have been those of "Overseers not themselves engaged in manual labor". The entry in the annual Returns seems therefore erroneous. Vide similar cases disposed of in G. Os. No. 421 dated 15th August '73 and No. 398 dated 7th July '74.

Should Government be pleased to treat the service as Superior under the circumstances explained an half pay pension of Rs. 30 – – will be admissible to the applicant for his qualifying service of 25 years and 2 months; and the amount if sanctioned will be debitable to General Revenues and Part Funds under the "rule of proportions". The proportionate amount debitable to each source will be communicated to Government on receipt of reply to a reference to the District Engineer regarding the actual rates of pay drawn by the applicant in the early part of his services which have been excluded by the Controller. To save delay this report is submitted without this information.
