Pension and Gratuity.

Read again the Proceedings of Government, Pension Department, dated 29th September 1875, No. 563.

Read also the following letter from W. LOGAN, Esq., Acting Collector of Malabar, to L. A. CAMPBELL, Esq., Under Secretary to Government, Pension Department, Fort St. George, dated Calicut, 16th October 1875, No. 64:—

With reference to G.O., No. 563, dated 29th September last, Pension Department, I have the honor to observe that though the designation of Mr. Pereira was changed from that of Bookbinder to Muchi, on the general revision of the Revenue Establishment in 1860, his duties remained the same, that is, his professional employment was purely bookbinding and connected therewith, and under the Proceedings of Government noted in the margin, he appears eligible for pension on the superior scale. It would be hard upon the individual to deprive him of his dues for the sake of a mere technicality, and taking into consideration his long service of fifty-eight and odd years, I have the honor to request you will be good enough to submit this explanation to Government for consideration while addressing the Government of India.

ORDER THEREON, 6th November 1875, No. 642.

The Government observe that the case of a Muchi in the office of the Collector of Malabar can in no way differ from that of similar servants elsewhere, and that the service must therefore be treated as inferior.

2. A copy of G.O., 8th June 1875, No. 286, will be communicated to the Collector for information.
