SIR,

I am directed to forward the enclosed Memorial addressed to His Excellency the Viceroy and Governor-General of India in Council by Maistry S. Appavoo Moodelly, late Bricklayer Maistry, District Engineer's Office, Bangalore.

To the Secretary to the Government of India, Financial Department, dated 5th January 1874, No. 4.
From the Under Secretary to the Government of India, Financial Department, dated 23rd February 1874, No. 1308.

From the Under Secretary to the Government of India, Financial Department, dated 21st May 1874, No. 3183.

2. This man's case was the subject of the correspondence marginally noted, and His Excellency in Council has nothing to add to the recommendation which he has already made in behalf of the memorialist.

I have the honor to be,

Sr,

Your most obedient servant,

FORT ST. GEORGE,
16th November 1875.

Officiating Chief Secretary.

From Major H. M. VIBART, R.E., District Engineer, Bangalore, to Major-General G. W. WALKER, R. E., Secretary to Government, Public Works Department, Fort St. George, dated Bangalore, 18th October 1875, No. 117.

With reference to G.O., No. 358, dated 20th June 1874, Pension Department, I have the honor to forward, at the request of S. Appavoo Moodelly, late a Maistry in the Madras Public Works Department, Bangalore, a petition addressed to His Excellency the Viceroy and Governor-General of India in Council.

TO

HIS EXCELLENCY THE VICEROY AND GOVERNOR-GENERAL OF
INDIA IN COUNCIL,
Fort William.

The humble Memorial of S. APPAVOO MOODEL-
LIAR, late a Maistry in the Madras Public Works
Department, Bangalore.

MOST HUMBLY SHEWETH.—That your memorialist begs to submit for the consideration of your Excellency in Council that he has served the Department Public Works of the Madras

Government from 1843 to 31st August 1868 as a Maistry, during which time he has rendered entire satisfaction to his superior officers, and was thrown out of employ and recommended for pension by Major Mayne, the then Military Executive Engineer of Bangalore, owing to loss of sight and a considerable old age, of about 75 years at that time. But to his greatest misfortune he was informed by a copy of the Government of India's (Financial Department) letter, No. 3183, of 21st May 1874, to the address of the Under Secretary, Madras Government, "that the Governor-General in Council regrets that he is unable to see sufficient grounds for a recommendation to the Secretary of State for the grant of a pension, as a special case, to Appavoo Moodeliar, late a Maistry in the Public Works Department." Which conclusion your memorialist begs to submit was arrived at probably with reference to the terms of Section 38 of the Civil Pension Code *now in force*.

2. That your memorialist now begs to urge on the serious consideration of your Excellency in Council that he entered the Department as a Maistry on the strict understanding that his service will count towards pension, as was promised by Colonel Green, the then Chief Engineer of Mysore, who appointed him to the post and eventually confirmed, and accordingly recommended for pension by Major Mayne, or otherwise he would have accepted one of the several offers made by Colonel Green in the Mysore Public Works Department had he been aware at that time that his service was "inferior" and cannot count towards pension. He also begs to point out that many of the Maistries belonging to the Mysore Public Works Department who was holding similar appointments have been granted pensions and are still enjoying the same. Further, the first and foremost point for consideration is, your memorialist begs to submit, that he was thrown out of employ before the Pension Code was brought into operation, his pension should be determined by the old Rules which were in force at the time of his retirement from the service, and the provisions of the *new Code* do not therefore necessarily apply to this Code.

3. Under these circumstances, your memorialist most humbly requests that your Excellency in Council will take his case into your Excellency's most kind and favorable notice and grant him the pension according to old Rules in consideration of his past faithful service, advanced old age, of about 83 years, and the utter destitute circumstances for want of maintenance which he cannot at present otherwise procure as he lost his entire sight.

4. For which act of kindness and charity your memorialist begs to pray for your Excellency's long life and prosperity.

surprise he was informed by a Copy of the Government of
