Memorandum to the Accountant-General, dated 14th October 1875, No. 27.
From the Deputy Accountant, in charge of the Office of Accountant-General, dated 22nd October 1875, No. 354.

ORDER THEREON, 17th November 1875, No. 657.

His Excellency the Governor in Council is pleased, under Sections 54, 56 (*c*), and 58 of the Civil Pension Code (2nd Edition), to grant to Mr. William James Waters, late Master Attendant, Vizagapatam, a retiring pension of Rupees (100) one hundred per mensem, for his qualifying service of thirty-two years, three months, and three days in superior grades, and, under Section 66, Rule 5, and Section 56 (*a*) of the same Code, to grant him further a gratuity of Rupees (180) one hundred and eighty, for his service of six years, nine months, and twenty-three days as Conservator of the Port of Ganjam.

2. When disallowing the applicant's service from 1st October 1844 to 22nd August 1846, the Accountant-General was evidently under the impression that the temporary establishment ordered to be discontinued by the Government of India, in paragraph 2 of their letter, dated 22nd August 1846, No. 533, was that in which Mr. Waters was employed, whereas from a reference to this Government letter of the 23rd May 1846, quoted by the Government of India, it appears that this temporary establishment was one consisting of seven clerks whose employment had been sanctioned as a temporary measure.

3. In accordance with Section 29, Rule 1 of the above Code, the whole sum of the gratuity sanctioned will be debited to Port Fund.

1. Whether the applicant's services in the different offices in which he served have been verified from the records of those offices - such verification statements should be obtained and forwarded to this office.

2. Why the applicant's service in the Madras Police was reckoned as non-qualifying, since the break of service following it (namely 4 months caused by resignation) does not vitiate his past service. Vide Rule 1 of Section 45 of the Civil Pension Code.

3. It should be ascertained why the appointment of Preventive officer, Sea Custom Office Guntur, is not traceable in the Annual Return of 1845; and why the Preventive Estt was shown as temporary in the Annual Return of 1846. If it was originally a temporary establishment and was subsequently made permanent, Copy of Govt orders relating to it should be furnished.

Hence the applicant's service in the temporary establishment does not count. The length of his service is in consequence falls short of thirty years and the applicant is not therefore entitled to a Retiring pension.

2. In this Memo: from the Assistant Accountant General of the 13th instant, it is stated that under the orders of the Government of India, the temporary appointment of Preventive officer was ordered to be discontinued, and this man was saved with a similar appointment on the revised establishment of the Sea Customs Department. Such was not the case. The order of the Government of India directed the discontinuance of the temporary establishment, not Mr Waters appointment. The temporary establishment existed when a revised of establishment took place in the Sea Customs Department, and on its being sanctioned, Mr Waters service ceased in the temporary establishment, which was discontinued, and commenced in the permanent

It is evident therefore that his appointment merged from the temporary into the permanent establishment, and consequently it should be viewed as having been temporary, and made under the provision for - manent. Under these circumstances, Mr Waters is clearly entitled to the class of pension applied for, and the Accountant General is requested to submit the question for the decision of Government.
