Certified that I have carefully examined Lazar, son of Choumootor Moodelly, a Pressman in the Military Department of the Government Press. His age is by his own statement, 49 years, and by appearance, about 49 years. I consider Lazar to be completely and permanently incapacitated for further service of any kind, in the Department to which he belongs, in consequence of Non-Tubercular Leprosy. His incapacity does not appear to me to have been caused by irregular or intemperate habits.
