PENSION DEPARTMENT.

No. 681.

FROM

THE HON. D. F. CARMICHAEL,
Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to forward the accompanying case for the favorable consideration of the Governor-General in Council.

2. Balajapett Subrayalu Naidu, late Inspecting Schoolmaster of Salem and Ahtur, served under Government in superior qualifying grades for ten years and nine months from 9th October 1856 to 7th July 1867 and was then transferred to a grant-in-aid school, where he remained until the 28th January 1868, a period of six months and twenty days. This period it appears not only does not count for service under Section 13, Rule I, of the Civil Pension Code, but his transfer to a grant-in-aid school seems under the last line of Section 44 (f) to vitiate his previous service.

3. The applicant remained in the service until the 4th of December last, when he was invalided, and the Educational Department now report that he was transferred from a Government school to a grant-in-aid school "solely with a view to the convenience of the service" and that "though no express stipulation was entered in the documents connected with his transfer it was fully understood that he was not to lose the benefit of his previous service."

4. His Excellency in Council would therefore recommend that B. Subrayalu Naidu be exempted from the operation of those sections of the Pension Code under which, as stated above, both his service in a grant-in-aid school and his service previous thereto are held not to count for pension.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
25th November 1875.

Secretary to Government.

From C. T. LONGLEY, Esq., President of the Local Fund Board, Salem, to R. W. LODWICK, Esq., Accountant-General, dated Salem, 2nd June 1875, No. 686.

I have the honor to forward, for transmission for the sanction of Government, an application for an "invalid pension," under Section 49 of the Civil Pension Code, on behalf of Subrayalu Naidu, lately an Inspecting Schoolmaster on the establishment of the Local Fund Board of the Salem Circle of this district.

2. A list of Subrayalu Naidu's services is enclosed together with the medical certificate granted by the Zillah Surgeon stating that Subrayalu Naidu was afflicted with leprosy and was in consequence incapacitated for further service under Government.

3. It would appear from the former document that Subrayalu Naidu was first entertained in the service of Government as a Sub-Deputy Inspector of Schools at Chittoor, and after being employed successively in the taluq schools of Palamanair and Kistnageri (Government schools) was

moved to the post of Head Master of the Gooriattum School (a grant-in-aid school under private management) and thence to the 3rd Mastership of the Anglo-Vernacular School at Balajapett (where he was paid from the school fees) before his services were replaced in the Government taluq school at Namkul; and, in connexion with his service in the marginal posts, the Inspector of Schools states that it was understood that he retained a lien on his previous appointments under Government though no express statement to this effect appears in the documents having reference to the appointments. He was moved to these posts for the convenience of the service, &c.

4. As regards the reduction of his salary on two occasions, the reasons are given in the third page of the application.

5. The date of Subrayalu Naidu's birth is 22nd August 1834, and his age on 1st April 1873 should be thirty-eight years, seven months, and ten days, and not thirty-seven years, eight months, and eight days as mentioned in the service list, which has been corrected.

6. There was an interval of twenty-three days between the date of the medical certificate and Subrayalu Naidu's retirement, and it was due to the correspondence and the transmission of the necessary orders on the subject of making over charge, &c. The delay in forwarding the present application is explained as follows:—

On receipt of the Inspector's communication regarding Subrayalu Naidu's retirement he was asked to submit an application for his pension, which was received towards the close of January last. It was returned in the same month for amendment and for the supply of certain information omitted, and was retransmitted with letter, No. 793, dated 7th ultimo.

7. Subrayalu Naidu is entitled to a pension amounting to a third of his salary, Rupees 11-10-8, and his services, &c., were verified by the Inspector from the records of his office.

No. 104.

Certified that I. R. E. Pearse, Surgeon in Her Majesty's Indian Medical Service, have carefully examined B. Subrayalu Naidu, son of Moonosawmy Naidu, Inspecting Schoolmaster of the Salem Range. His age is, by his own statement, thirty-nine years, and by appearance about the same. I consider B. Subrayalu Naidu to be completely and permanently incapacitated for further service of any kind in the department to which he belongs in consequence of leprosy. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Balayapett

Sabrayam Vaidar late Inspecting School Master of Salem and after served under Government in Superior qualifying grades from 9th October 1856 to 7th July 1867, a period of 10 years and 9 months.

On the 8th July 1867 he was transferred to a grant in aid school and served up to 28th January 1868, a period of 6 months and 20 days. Not only does this period not count for service under Section 13 Rule 1 of the Civil Pension Code but owing to his transfer to the latter post the

Accountant General is of opinion that under the last line of Section 44 (g) his previous service does not count.

From 28th January to 28 June

Sir,

I am directed to forward
the accompanying case for
the favorable consideration
of the Governor General
in Council.

2. Balajapett Subrayala
Naidu, late Inspecting
School Master of Salem
and Ahtur, served under
Government in superior
qualifying grades viz. for
10 years and 9 months from
9th October 1856 to 7th July 1867
I was then transferred to a
grant in aid school
where he remained until
the 28th January 1868, a period
of 6 months and 20 days -

This

This period it appears not only does not count for service under Section 13 Rule I of the Civil Pension Code but his transfer to a grant in aid school seems under the last line of Section 44/f/ to vitiate his previous service.

For his subsequent service of 6 years 2 months and 8 days from 27th June 1868 to 4th December 1874 after excluding the period of 3 months leave he is recommended by the Accountant General for a gratuity of Rs: 210 or six months' salary.

3. The applicant remained in the service until the 4th of Decr. last when he was invalided

and Educational Dept. report that he was transferred from a Government school to a grant in aid school solely with a view to the commencement of the service & that though no express stipulation was entered in the documents connected with his transfer it was fully understood that he was not to lose the benefit of his previous service.

4. His Excellency in Council would recommend that B. Subrayalu Naider may be exempted from the operation of those sections of the Pension Code under which as stated above both his service in a grant in aid school & his service previous thereto ^{are} held not to count for pension.
