being furnished. The Tahsilwar's
arzi and register of application for pension
were received on the 12th September 1874
from which it appeared that
Hrishnak's age was less than 60 years
which necessitated a medical certificate
for which he was sent to the Civil
Surgeon on 18th September 1874. The
certificate was furnished on the
5th October.

3. The personal marks of the
applicant with the exception of a mole
near the navel appear to be on uncovered
parts of the body (Vide the Register
of pension sent from this office.)

4. The cause of the delay from
the 25th April is due to the applicant's
Service having had to be verified
with reference to the Taluk
records, and the applicant having

been away from Adornalpettah on
account of which his marks could
not be taken in time, and the pre-
paration of the Service Register called
for in the Memo under reply.

Certified that I have carefully examined Kristniah late Dafterhund in the Adumalpettah Taluq. His age is by his own statement 65 years and by appearance about that age. I consider Kristniah to be completely & permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of old age and debility. His incapacity does not appear to me to have been caused by irregular or intemperate habits.
