Sir,
Referring to your name on the record. I have the honor to state, that Shah Simall is not in a position to proceed to Madras the nearest Civil Station, to obtain a medical certificate from a Commissioner. He has suffered from an attack of Cholera which has so much enfeebled him, that he cannot undertake the journey to Madras on foot. His father in Tamil is annexed for information. Shah Simall has only five Rupees per mensem from his first appointment in 1862 up to 1868, when his salary was increased to 7 Rupees. This has been omitted in the history of his service by a misconception of the Rules.

Certified that I have carefully examined Frank Small, a Bomb in the Marine Department. His age is, by his own statement, 50 years, and, by appearance, about 60 years. I consider Frank Small to be completely and permanently incapacitated for further service in the Department to which he belongs, in consequence of lameness caused by chronic disease of left knee-joint and old age. His incapacity does not appear to me to have been caused by irregular or intemperate habits.
