Certified that I. E. E. Lloyd Zillah Surgeon Nellore have carefully examined the Head Classifier Kasukelu Appa Row son of Kasukelu Ramachendra Row on the Establishment of the Settlement party North Arcot District. His age is by his own statement 53 years, and by appearance 50 years. I consider Appa Row to be completely & permanently incapacitated for further Service of any kind in the Department to which he belongs in Consequence of Pulmonary Consumption from which he has been suffering for the last 12 months. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

He has been under General medical treatment for some months & on Sick leave to his own Country for 5 months I do not consider him likely to derive permanent benefit from further treatment

Sentence of the Session Court of Rajahmundry in Case No 40 of 1848 Session Calander

Davaky Subby — Prosecutrix
Versus — Prisoners

1st Cottapally Chowdary - 2nd Mojanty Conappa - 3rd Bonum Bengarroydoo - 4th Nakka Venkatawydoo 5th Laul Sahib - 6th Saik Alli - 7th Pendeyala Lingappa - 8th Simhadry Bapana - 9th Paulacodaty Lingarazi - 10th Dhoomantarow Nursimloo - 11th Kaskala Apparow.

1. The Prisoners 1 to 7 are charged with beating & illusing an insane person so that he died - the 8th, 9th, & 10th Prisoners with pushing up the matter, and the 11th with writing a false report about it. -

2. It appears that the ~~police~~ Police CR reported that the villagers of Tiojempoody had sent Deceased on 18th October for safe custody to the Cutcherry - he being a furious Maniac, beating and abusing all people, and having thrown himself into a well that he was

duly received into the Cutcherry & still continued his violence towards 1st Prisoner and others of the Peons, as was duly reported by the acting Peshcar, 11th Prisoner, to the acting Head Police Officer on the 19th reference being made to the acting Head Police Officer's presence in Cutcherry on the 18th when the man arrived, & to his having given directions for the delivery of the Madman to his own people.– The 1st Prisoner (the Cutcherry Duffadar) wrote also on the 19th to say the madman had become extremely violent breaking the Stocks in which according to custom he was confined, & had beaten the Guard Peon whereon the Duffadar 1st Prisoner with other Peons ran at him and with some difficulty managed to secure him.

3. Again on the 21st October the 1st Prisoner reported that the relatives of the madman refused to receive charge of him, & that he continued to rave refusing food & knocking himself about from all of which his death was soon probable – Had there been anything culpable, in the degree of violence used towards the madman the Duffadar would not invite

the Head Police Officer to return quickly to instruct them how to manage him.-

4. On the 22nd October the Acting Peshcar reported to the Acting Head Police Officer that according to the orders of the Acting Head Police Officer he, 11th Prisoner, had asked the relatives of the madman to give Depositions, but they refused to give even their names, so that 11th Prisoner took a declaration from the Village Moonsiff & Curnums of Calavalapully & Yeernagootium recording the groundless contumacy of those relations.-

5. On the 24th a complaint was sent to the Post Office at this place by D. Sooriador 26th witness Uncle to Deceased to the effect that the Village Moonsiff & Curnums having been induced to give 6 Rs to Deceased from whom they had levied a supply of Sheep for marching of Troops and for the nonpayment of the value of which Deceased had complained bore spite at Deceased & getting up a false story of his being very mad, on that ground sent him

to the Cutcherry to be confined where from some unknown cause the Duffadar and peons beat him most cruelly with Crowbars & Sticks whereon the writer of the Plaint & the wife & children of the sufferer started to make a complaint but were recalled by Peons who took ~~him~~ them to the Cutcherry, kept them 4 days fasting from which the writer alone escaped.

6. The joint Magistrate remembering that some parties had cause of spite against Deceased because of the restitution of the value of the Sheep, ordered a rigid enquiry and took many precautions to preserve the Prosecutrix from being bribed.-

7. The Law Officer reviewing all the evidence points out very many material contradictions in it as enumerated in the Futwa, & in consequence declares the charge as brought not established against the Prisoners, but he states that the first seven are liable to Tohmut on suspicion of having beaten deceased from which he died, & the remaining prisoners also to Tohmut on suspicion of aiding to conceal the same.-

Corrections Correct.

8 The Sessions Judge believes that the original account of the 11th Prisoner is the true one, viz that Deceased having been sent to the Cutcherry as a furious madman, proved himself so by outrageous conduct, contriving to loosen the Stocks he was confined in, & to assault the peons; whereupon as is the recognized & usual practice the peons, & Duffadar set upon him to subdue and bind him.–

9. The course of his madness & violence and the measures of Coercion the Police were obliged to adopt were openly reported in due order. The violence of the malady & his refusal to eat might reasonably cause death which might be hastened by the coercive system which fear for his security & their own as well as the custom of the country suggested.– The 11th Prisoner a very subordinate Officer viz only Acting Peshcar took the usual Inquest report after the Madman died, & as the persons forming the inquest were independant persons and must have seen perfectly well if there had been any marks of undue violence, the Sessions Judge doubts the power of the 11th Prisoner to compel

are

them against their will to certify a natural death if a death by violence was palpable & notorious & sure to come to light. Had he succeeded in forcing people to depose and certify ~~and certify~~ etc falsely his power ceased the moment the Acting Head Police Officer returned to the Cusba, or at all events when the return of the Head Police Officer put back the Acting Head Police Officer to his own appointment of Peshcar, throwing the Acting Peshcar out of emply altogether in Tadimalla, and the 1st 5th 17th 18th 19th & 21st witnesses being all Sirkar Servants, & the 4th 10th 11th 12th 23rd who formed the inquest & the 8th & 9th witnesses who were mediators ought & surely would have complained at once, but they did not.-

10 No reason is shewn for the union of the Village Moonsiff & Curnums, 8th 9th & 10th Prisoners, with the Duffadar 1st Prisoner, & the Peons 2nd 3rd 4th 5th 6th & 7th Prisoners & for the 11th Prisoner to accede to their plans.-

11 There are some most unaccountable

contradictions in the evidence – not the result of mistake, but throwing much suspicion on the whole ~~[illegible]~~ CR Prosecution.– The 21st witness is a rival Duffadar to 1st Prisoner. The Prosecutrix & the 25th witness accused the 21st witness of active participation in the illtreatment & coercion, but the 21st witness declares he was absent from the Cutcherry at the time. The 17th witness is a Police Peon who was on duty at the time, & he has been a Duffadar – the 11th Prisoner took from him a ~~deposition~~ deposition CR. on the day of decease to the effect that Deceased died from madness & exhaustion – this person who could not have been forced & was not bribed to state so now declares that the body bore marks of the violence, and that he was made to sign the Deposition prepared by the 11th Prisoner, the purport of which he never knew. He declares however that Deceased would eat nothing rejecting as poison all that his own son gave him, a fact supported by the 5th Witness. This Witness further contradicts the statements of the other Witnesses very flatly. In

Corrections Two C.R.

8th Sheet

In the giving of the alleged bribes it is stated by Prosecutrix that 8th Prisoner put 10 Rs into her hand, made 23rd witness answerable for 27 Rupees & 22nd witness for 3 Rupees = total 40 Rupees. But this Government Peon Anuntoola Veraragovodoo declares with every detail that he saw the 8th Prisoner pay 20 Rupees to Prosecutrix. The 23rd witness declares that 8th Prisoner paid the 27 Rupees to him in deposit for Prosecutrix, which after a few days Prosecutrix claimed & he paid. Mention is made in a communication of the Joint Magistrate to the Subordinate Court that it came to light that 1st Prisoner gave the 26th Witness Uncle to Deceased a silver girdle worth 20 Rupees to deny the Murder, which he when first questioned did deny ever having know or written anything about, & the possession of so large a sum of 40 Rupees by so poor a woman as Prosecutrix was considered a strong corroboration of the Story of bribes being given to quiet her. She produced 20 Rupees of this, & stated that she had

Corrections

left the other 20 with the 22nd witness, being fearful of carrying 40 Rupees along with her

12th C.R., The 22nd witness states that Prosecutrix having received 40 Rupees in bribes took 20 with her, leaving 20 with him to maintain her children for which he expended 4 Annas but still produced the full 20 Rupees to the ~~[illegible]~~ C.R. Head Police Officer — he afterwards entirely changed his statement to the effect that Prosecutrix who possessed several Bonds to the extent of 100 or 150 Rupees executed by the sister of the Curnum Culligotta Periaz in favour of the late Brother of Deceased (a Pensioned Sepoy) paid to him 60 Rupees which the above Curnum had paid to her under the bond of which she drew 40 Rupees about the time in question. Pro=cutrix asserted that that 60 was composed of the 40 Rupees of bribes paid by prisoners in this case & 20 Rupees the property of her brothers children. The Curnum who owed the money says he paid 50 (not 60) Rupees

to Prosecutrix under the bonds above stated.

13 There are several minor
but very significant contradictions throughout the evidence
concerning the particulars of cruelty, the detention of
Prosecutrix or her friend Deceased's Uncle, the pre-
sence of 17th witness on guard, the time of taking
the Inquest which some witnesses go so far as to
say was taken the day after deceased was burnt,
tho' it is fully proved by the witnesses for 11th Prisoner
that it was taken at the proper time, and lastly
about the bribes. (These could be detailed).

14 From a careful consideration
of all the circumstances of this lengthy & complicated
case, the Sessions Judge agrees with the Law Officer
that the charge is not established against any of the
Prisoners, & that there may be some ground to think
that the coercion & restraint the Duffadar & Peons
used towards deceased may have helped to bring
on his death which from his delirium & refusal
of food must naturally have ensued. As this coercion

was done openly in the presence of the wife, Son & Uncle of Deceased who were repeatedly but in vain asked to take charge of him at their own Village, the Sessions Judge thinks such cannot have been in any way criminal.

15 The prisoners are therefore released.

16 The Joint Magistrates rigorous measures to prevent tampering with the witnesses it is believed were successful

17 The Sessions Judge considers it requisite in injustice to the Prisoners and to the Acting Head Police Officer &ca &ca to record his belief that the charge is not a true one & that their conduct has been quite correct, except the excusable indiscretion of coercing a dangerous lunatic.

18 The 17th witness is in the opinion of the Sessions Judge unfit to be employed in any way whatsoever, and the attention of the Magistrate is requested to his excessive

Sir,

1 Application in prescribed form.
2 Service Book
3 Doctor's Certificate
2 Authenticated copies.

I have the honor to submit as marginally detailed an application to pension Kasukhela AppaRou, Head Classifier belonging to the North Arcot party.

2. The total of his service including breaks counts in all 28 years 1 month 25 days; but the actual service qualifying for pension amounts to only 16 years 9 months 16 days, entitling him therefore to

a pension of one-third.

3. The major portion of the Service of K. Apparau appertains to this Department, both in the Office establishment and in the field party; and from nearly fourteen years personal knowledge, I am glad to be able to certify that he has most zealously performed his duty and has always been a hard working and very industrious subordinate. His conduct throughout his service in the Department has been most satisfactory – for he was transferred to this District (Nellore) from the Godavery by Mr R. E. Master with very favorable recommendation.

4. His health has been failing for some time past, and finding himself utterly unfitted for work he took sick leave from 1st March last, and as soon as able came to Nellore. He has not improved in health though he has been under treatment and on leave for six months. The Zillah Surgeon has upon examination now certified that K. AppaRau is permanently incapacitated for further service, and that there is no probability of his deriving any permanent benefit from further treatment.

5. Under these circumstances, I would request that the application to pension K. AppaRau may be submitted to Government with a favorable recommendation.

6. K. AppaRau's services

were permanently dispensed with from the date of the Doctor's certification 1st September and I beg that he may be allowed pension from that date.

I have the honor to be,
