2. They have served in the Police Department only for the periods specified against their respective names except No. 833 who was formerly employed in the Revenue Department. They are stated to have borne good Characters except Constables Nos 824 and 128 whose Characters are stated to have been indifferent. They are now unfit for further effective service as certified by the Annual

annual medical Invaliding Committee. The present disqualification for further service of Constables 824 and 128 is declared by the medical Committee to have been the result of their own imprudence and irregular habits.

3. These individuals are entitled to the amounts of gratuity set opposite to their respective names under Section I of the Superannuation Fund Rules according to scale A Section 104 of the revised Civil Pension Code.

4. With reference to the Cause of delay in submitting the rolls, the Superintendent of Police in his letter No. 162 of the 8th August 1874 gives the following reasons:-

> "The delay in the transmission of the rolls is owing to the men having left Bellary for their Villages immediately after discharge without reporting where they were going and owing to their not being found till lately after numerous references to Inspectors of talugs where they were said to be residing. Also because in one Case necessity arose for reference to different departments in which the man declared he had served prior to his enlistment in the Police."

I have the honor to be,
Sir,
