ORDER THEREON, 14th February 1876, No. 103.

It is observed that under Section 32 (*a*) of the Civil Pension Code, the service of the applicant Nellabotoo Soobiah, late Light-keeper, Santapilly Light-house, from 7th December 1835 to 14th January 1856, does not count for pension.

2. For his subsequent service of eighteen years, three months, and twenty-four days, excluding the break of nine months and seventeen days caused by applicant's dismissal from office, he is entitled to a gratuity of Rupees (30) thirty, or five months' salary. Looking to the trivial nature of the fault for which the applicant was dismissed by the District Judge, Vizagapatam, the Governor in Council is pleased to cancel the order of dismissal, treating the break as period under suspension, and to admit Nellabotoo Soobiah to the gratuity of Rupees (30) thirty.

Sir

I have the honor to forward an application for invalid pension on behalf of Nellabootoo Soobiah, late a lightkeeper attached to the Santapilly lighthouse, and who is declared unfit for further service in the accompanying Medical certificate.

2 Soobiah's service under Government amounts altogether to 39 years, 2 months, and 19 days; but there was a break in the year 1868, after he had served 32 years, 7 months, and 27 days, owing to his dismissal by the Civil and Session Judge of Vizagapatam, for washing his mouth in the verandah of the Judge's house. He was within a year afterwards taken on the establishment

establishment of the Santapilly lighthouse, and, while so employed, his character and conduct are reported to have been good.

3 By the applicants removal from the service in 1868, he has, according to the Civil Pension Code, forfeited his previous service of 32 years, 2 months, and 9 days; but in the present instance, the length of service, the fault for which he was dismissed, and the good character he generally bore*, form strong grounds for waiving the above objection, and, if the Government be pleased to grant him the benefit of his forfeited service, he will then be entitled to an invalid pension of 3 Rupees per mensem; otherwise he can only be allowed a gratuity of Rupees 18, or 3 months' pay, for a service of 5 years, 9 months, and 5 days, which sum will be debitable to Provincial Services, Marine.

I have the honor to return herewith the marginally noted ✕ papers having reference to Nellabotoo Soobiah's Service under Government together with the Application for Pension duly verified by the Record Keeper of the Vizagapatam Sessions Court.

I respectfully beg to point out that by the Enclosed letter No. 360 dated 5th August last received from the Sessions Court in reply to mine dated 13th April 1875 it would appear at the applicant was paid from process fees during his Service as Nazir's peon in the Auxilary Court and his appointment was not a permanent one under Government, his Service for Pension therefore commenced from 15th January 1856.— He was appointed Light Keeper by the Collector of the District under whose orders and control the Santipilly Light House Establishment is, and for the above reason no records of the Establishment have been kept in this office.—

The Service shewn in the Application for pension was originally taken from the testimonials and Service Book of the Applicant who states that none of his contemporary employés are in India. Under these Circumstances the two Statements called for in Para 2 of your letter cannot be furnished.—
