Pensions.

Read the following letter from Colonel R. M. MACDONALD, Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, (through the Accountant-General), dated Madras, 20th January 1876, No. 163 :—

I have the honor to send an application for pension on behalf of Mr. Charles Strange Harvey, Accountant in the Office of the Director of Public Instruction.

2. The application affords all necessary information and the prescribed Medical Certificate is attached thereto.

—
No. 108.

Certified that I, Arthur Luke Hackett, Acting Surgeon, 3rd District, have carefully examined Mr. Charles Strange Harvey, son of James Samuel Harvey, Accountant in the Office of Director of Public Instruction.

His age is, by his own statement, forty-five years, and by appearance about the same. I consider Mr. Charles Strange Harvey to be completely and permanently incapacitated for further service of any kind in the department to which he belongs in consequence of impaired memory and general debility.

His incapacity does not appear to have been caused by irregular or intemperate habits.

Acting Surgeon, 3rd District.

The undersigned has the honor to return the applicant's service book for insertion in it of the particulars of his services between 6th November 1868 and 10th January 1876, and to request information on the following points :—

1. Why was the period of suspension reckoned as qualifying ?
2. Whether any orders have been passed to the effect that the suspension period shall count ?
3. Why was the applicant on his reinstatement paid only moiety of his pay ?
4. Why was applicant's absence for three days, from 9th to 11th August 1875, without pay omitted to be shown ?

From Colonel R. M. MACDONALD, Director of Public Instruction, to R. W. LODWICK, Esq., Accountant-General, Madras, dated Madras, 31st January 1876, No. 232.

In retransmitting the service book of Mr. Harvey, I have the honor to state, with reference to your Memorandum of the 28th instant, that the period of service during suspension was reckoned as qualifying because Mr. Harvey was not guilty of misconduct. He had applied for relief under the Insolvent Act and was suspended according to the rules. As the Court's Proceedings did not disclose anything prejudicial to Mr. Harvey's character either as a public servant or as a private

individual, his restoration to office was recommended to and sanctioned by Government. No written order, by mere oversight, was passed to the effect that the period of suspension should count, but in making my recommendation as Acting Director of Public Instruction to Government in Mr. Harvey's case, I did not intend that he should lose his service, and Mr. Powell also, at whose instance my letter was written, had no such intention.

2. A substitute was employed during Mr. Harvey's suspension because the state of work made it necessary. The non-payment to Mr. Harvey of his full salary is not to be taken as the imposition of a penalty.

3. The stoppage of Mr. Harvey's pay for three days was a fine for absence.

Memorandum for orders.

The Applicant was employed as an accountant in the office of the Director of Public Instruction for 15 years 7 days. He is now 45 years of age. He applies for an invalid pension, the pension to which he is entitled is Pt. 27-12-a, if the Government are pleased to accept the Director of Public Instruction's explanation regarding the omission to make a written declaration at time of suspension. viz. that it was "by a mere oversight" on his (the Director's) part. But it is a question whether the Applicant.

No grant. He is evidently a useless bankrupt body. Debit denunciable, his case for the Bureau must be closed.

Would grant. He can do no further service.

Applicant's state of health is
such as to justify his being
pensioned. The Medical Offi-
cer states that he is com-
pletely and permanently in-
capacitated for further service
of any kind in the Department
to which he belongs in consequence
of impaired memory and general
debility. The Director of Public
Instruction states he "was quite
past work when I assumed
charge of my office." Government
in G. O. 1st March 1869^{no. 90} declined
to accept loss of memory as
sufficient ground for invaliding,
as the Applicant is only aged
45. His memory and health
may be restored so as to serve
Government still.
