To

Kristna Rao Bhaskar Rao

Tahsildar of Vinukonda Talug

Referring to a receipt on a loose paper presented by Venkatanarayana son of Sanampudi Subbaraju late Curnam of the Village of Sanampudi appertaining to your Talug, during the time when Dowles were distributed for the current year; it appears that it was signed by Audenarayana with the consent of his elder brother Ramabrammham Curnam of Sanampudi, and granted for the money paid for Fasli 1262, to one Mendru Ramudu cultivator of the said village – Audenarayana being asked on the subject states

that

that the said cultivator newly came in last year; that as there is no "Receipt Book" for that individual, a list was given to Samutdar showing the number of the receipt Books required for the individuals in whom the aforesaid cultivator was included, and that as the receipt Books not having been received accordingly and as the Cultivator having disputed for the receipt, it was granted to him on a loose paper - The Samutdar Murnoopally Venpate Row states that he sent to the Talug Kacheri, the lists (including that referred to above of the Receipt Books required for the Ryots of the Villages in his range, but the Books not having been received the receipt book was not furnished to the Cultivator He produced the list given in by the Curnams as well as the copy of the list which he sent to the Talug. The list shows that a Book was required as stated by the Curnam because the Ryots newly came. In the list sent by the Samutdar to the Talug, it appears that 20 books are required for the Village of Sanampudi but no particulars are given in that list as to so many books for new [illegible] and so many books for old individuals are required.

The Nagadi Mudtgar and others of the Talug having been inquired, the former declares that 20 books were entered in the list as required for old Ryots and that the books required for new Ryots were not entered in the same - He produced that account.

When no particulars are entered in the Samutdars' list, a Statement showing the

the particulars ought to have been obtained and the total number of books ought to have been entered in the list but it was not done so owing, it seems, to the negligence of the Taluq Officials –

The Samutdar's reply is that when no books have been received as required by him, he did not again report the matter to the Taluq, because no books have been received from the Huzur –

He ought to have reported the matter to the Taluq.

Immediately on his understanding that no books have been received from the Huzur, the Samutdar ought to have reported the matter to the Taluq as he knew well that the collections would be prevented from being entered in the book if no book is furnished to the new Ryot but he did not do so – He failed to discover it even at the time

time of his examination of the Village receipt books agreeably to the Circular order. The irrigularity is therefore on the part of the Samutdar by name Murusupally Tirupatirow who is therefore transferred from this date to the Samutdar's post of Vinukonda Mutah, the salary of which is less by 2 Rupees and Kimtamukkala Lakshmayya Samutdar of that Mutah, in his stead. You are therefore required to enter their names regularly in the Barawards or pay Bills and to inform this circumstance to the said individuals from whom you should continue taking works of those Mutahs.

Moreover you should regularly cause to be entered on one of the new books permitted to be furnished in the current year, the last year's Dowle and collections of the aforesaid Ryot and the book furnished to him.

Although it is irregular on the part of the Curnam to grant a receipt on a loose paper contrary to Circular Order, yet as his explanation appears to be truthful he is excused this time.

Further as no particulars of the number of books required for the old and new Ryots were entered, a fresh list ought to have been called up and the total number of Books entered in the account but it was not done so.

There is also negligence on the part of the Sheristadar by name Lanka Venkatrayudu who examined the said account. He is therefore fined in the sum of 3 Rupees this time. You will deduct that amount from the pay bill for this month and warn the Sheristadar to have

the

the different accounts carefully prepared in future.

The papers received in this case are herewith returned.

1 Receipt on loose paper referred to above.
Papers written by Samutdar by name Terupati Row.
1 Dialy of Copies of Yadasts addressed to the late Tahsildar.
1 Do. Loose paper.
1 List of receipt books required & produced by the Curnam of ~~[illegible]~~pudi.
1 List of receipt books required in the villages of this Mutah.
5 —
1 Form of individual books of the different villages required for Fasli 1262.
2 Yadast No. 37 dated 8th October 1852 written by the said Samutdar and its Enclosures i.e. Memo showing the receipt books required by the Ryots of the Mutah.
3 —
3/8

As

As soon as the receipt book is given to the aforesaid Ryot after entering therein the transaction, you will cancel the loose paper receipt and deal with the other papers regularly.
